Hello fellow umpires!

Now that we are getting closer to summer, it is time to register. As USA Softball umpires, we cannot wait until the last minute, as we have two National Tournaments in Wisconsin this year. We will begin selecting umpires to represent Wisconsin for these tournaments as well as trying to work with the states within our region to send umpires to other tournaments. Our new region includes Minnesota, North Dakota and South Dakota. It was a learning year for me as your State UIC. It is my hope that it will be a smoother year.

We are planning to hold two umpire clinics this year, with the goal to try and get everyone to attend. The first one will be Saturday, April 15th in Portage, Wisconsin; the second one will be Sunday, May 7th in Waterloo, Wisconsin. Please let me know which one you plan to attend, as we need to have everything ready for the clinic.

State Class A Fastpitch Tournament will be June 22-25 in Watertown. The UIC will be Kurt Kaempfer. State Class B Fastpitch Tournament will be July 5-9 in Wausau. The UIC will be Al Waldvogel. State Class C Fastpitch Tournament will be July 28-30 in Mauston. The UIC will be Josh Brandsma.
