Becoming Stellar

Hello friends!

We have something very exciting to share! We have been hard at work developing a new business for our sports and spirit yard sign products and now want to introduce you to:

This is the new sport and spirit sign program that upgrades the previous process. We have worked hard to simplify and modernize the process, as well as give you the power to customize your own sign!

Access online — Select your team/club/activity — Customize — Select your quantities — Order

The new website will replace the previous method of placing orders. Since it all began with you, our local clients, we have created a special page on the website for you to order from. We encourage you to check out the site in its entirety, too!

Keep in mind:

- All orders are local pick-up, just like they always have been. Instead of completed signs, each order will be boxed and require light assembly.
