Fargo 2019 16U Report

Team: 16U United States Marine Corps Freestyle & Greco Roman Nationals in Fargo, ND

Team Leaders & ISWA Title: Jake O'Neill 16U Director

Team Indiana entered a total of 47 Freestyle wrestlers and 20 Greco Roman wrestlers in this year's tournament. This 3-day Freestyle tournament and 2-day Greco Roman tournament can prove to be challenging with some of the very best wrestlers in the country competing in them. This year it held Team Indiana's 16U wrestlers to just 3 All Americans in Freestyle and 2 All Americans in Greco Roman. Cathedral's Zeke Seltzer (120lbs) and Chesterton's Evan Bates (195 lbs.) had good runs in Freestyle. Seltzer and Bates put together 6 match win streaks to earn spots in the finals, but both came up short to acquire runner up honors. Center Grove's Drake Buchanan racked up a 6-3 record in Freestyle that put him in 6th place. Bates also earned All American honors in Greco Roman finishing 3rd place. Brownsburg's Leighton Jones was Team Indiana's 2nd All American in Greco Roman with a 7th place finish.

Junior Fargo Report

Team Leaders & ISWA Title: Brady Eppert Junior Director

This year, Team Indiana had 46 Juniors compete in Freestyle and 26 Juniors compete in Greco. This tournament is definitely one of the toughest in the country. Although the Juniors did not come home with any hardware, we did have many young men come away with several wins. In Freestyle, we had 3 wrestlers finish with 4 wins (Brayden Littell, Colton Drousias, and Nathan Conley finished 4-2). There were also several other Juniors who finished with 2 and 3 wins in Freestyle. In Greco we had one Junior finish with 4 wins (Brock Ellis 4-2.) Ty Haskins, Cullen Browning, and Robbie Gentry finished the Greco tournament 3-2.

I was very proud of how our wrestlers competed and conducted themselves while in Fargo. Our numbers were way up from past years. Competing in more Freestyle and Greco tournaments will definitely be beneficial for our athletes. The more we compete in these tournaments, the more success we will have.
