**** COVID 19 closures and Shutdowns ****

If we are shut down due to COVID 19 during the regular season and we cannot complete the season – your team will get refunded the percentage of games not played. For example, if we play 30% of the games, and miss 70% of the reminding season – you will get refunded 70% of your team fees. Similar with Ref fees, they will be refunded based on percentage of games not played; but player insurance - **\$40 is Non-Refundable** as we forward those funds directly towards the league insurance.

Default Rule: Any team that defaults (no show) or does not attend a VSL game will lose the rights to appear in playoffs. Second defaulted game will result in the team being removed from the league.
