Manager Rebate Program

There is a lot of commitment that goes into being a good manager.
Now we are going to reward those managers with a little incentive to help the league run better. Follow the steps outlined below and your child's registration fee will be ABSOLUTELY FREE for that season. All actions must be completed prior to the appropriate deadlines.

NOTE: You must pay your childs registration first. This is a REBATE, meaning the registration fees would come back to you after the season, and after rebate form is filled out and returned by you.
