The Anoka Area Hockey Association (AAHA) is continually exploring ways to reduce the cost of hockey to its payers and their families. We have many individuals and businesses who provide financial support in the areas of sponsorships, hardship funding and donations to our Dryland Training Facility.

We feel we have developed a program which will give back to you and your business. AAHA is a 501 (c) (3) organization. Your contribution may be 100% tax deductible.

Please make checks payable to AAHA and send forms and checks to:
