

Capital Area Soccer Association Travel Team Selection Acceptance & Acknowledgement

Players chosen for a slot on a Capital Area Soccer Association (CASA) travel team have been selected in recognition of their demonstrated athletic ability and soccer skill. Of equal importance in their selection is the recognition of their potential for further development both as an individual player and as a member of a team.

Membership on a CASA travel team is a year-long commitment to the development process, the team and CASA by both the player and his/her parents. The CASA Travel Soccer Description summarizes the travel program and is located on the CASA website at <http://www.capsoccer.org>. It outlines the requirements and expectations for participation as a player and a parent on a travel team. These requirements can be summarized under the following areas:

- Attend and participate in team practices, games, tournaments and events throughout the travel year.
- Be responsible for the costs associated with the player and the team activities.
- Maintain open communication with the team coaches/manager and be supportive of their efforts.
- Be involved as a volunteer to support the team and its activities and the CASA travel program.
- Accept and abide by the rules of the game and the CASA code of conduct for players and parents.
