

## Penfield Strikers Registration Fees

### ***Registration Fees***

Player registration fees are due in full at the Club's annual meeting. If a player's registration fee is not paid in full at the annual meeting, the Club will hold that player's roster spot until December 1st. If the player's fee is not paid in full by December 1st, the player will lose her roster spot, and the Club may offer that roster spot to another player after December 1st. No player may participate in team practices, scrimmages, or games until her registration fee is paid in full.

### ***Policy on Refund of Club Registration Fees***

Once a member pays their registration fee and accepts a roster spot on a team there is no refund for any reason.

Revised July, 2017
