

2 Cross-ice Rinks 2 End Zone Rinks

5/10/2009

Description:

This set up provides for multiple Small Area Games and room for skill stations. Depending on the number of nets available you may be limited to the number of games you can play or the types of stations you can run. Small nets, cones and tires can be substituted for goals.

KeyPoints:

This set up requires a lot of equipment and therefore set up time can be factor. Plan ahead and enlist help from parents readying and moving equipment for easy acces by on-ice personnel.
