Instructions:

This is an official document of the Minnesota Youth Soccer Association. You are responsible for seeing that the referee fills out the back of this card if one of your participants is sent off. If needed, this card may be used as a temporary card while the participant pass makes its way back to you. For the match(s) when the participant is serving his/her suspension, please have the referee sign the back of this card indicating that the participants did not participate in the match.

To use this card as a participant pass:

1. Inform the referee of this situation and that the participant in question will be participating with this card as identification.
2. If the referee is not familiar with this procedure, have the referee read the next section of this card titled "Instructions to Referees."
3. This card may be used until the original participant pass is returned to you. If it is determined that the participant pass has been lost, please make arrangements to get another one made.

Instructions to Referees:

This is an official document of the Minnesota Youth Soccer Association. It is intended as a receipt for the pass confiscated by the referee at the time a participant has been sent off. If you send a participant off, you are required to fill out the back part completely and return it to the coach of the offending participant, or a responsible adult if you have sent off the coach.

A coach may present this card to you and ask that you sign it and date it indicating that the participant in question is not participating in the match, and therefore serving one (1) match of the suspension. A registered adult may also present this card to you and ask that you sign and date it indicating that the participant (coach) is not participating in the match, and therefore is serving one (1) match of the suspension.

A coach or registered adult may present this card to you and request that it be used as proper MYSA identification. It is your obligation as a referee to accept this card and to note on your match report the name of the participant and the team who presented the card to you. The participant need not be present at the match.
