May Meeting Minutes

The meeting was called to order at 7:15 PM.

BYHA officer positions were filled for 2010-2011 season.

President – Steve Pearson

Vice President – Cory Carlson

Treasurer – Cheryl Zitur

Secretary – Chris Russett

President's Report:

Steve Pearson talked briefly about making our meeting process more efficient. Let's come prepared and stay on task to complete our monthly objectives in a timely fashion.

Secretary's Report:

April minutes were approved

Treasurer Report:

The Finance Committee provided a preliminary look at the 2010 budget. Also, talks will continue regarding fundraising ideas for the coming year.

HOC provided a detailed list of equipment for improvements to our dry land facility per the conversation at April's meeting. The board approved \$5400 towards the improvements (see HOC report for details).

Board approved \$3,000 for the "One Goal Program" proposed last month. The objective is to encourage new skaters between the ages of 4-8 to participate in eight 45 minute clinics on Saturday mornings at 10:00. The clinics will begin the weekend of the traveling team clinics. The association will provide a set of ONE GOAL equipment for a deposit check of \$70. One Goal participants will have the option of renting the equipment for \$25 if they choose to participate in our Mini-Mite or Mite program.

The One Goal Program will need volunteer coaches with a solid foundation in teaching skating skills. The focus will be on basic skating skills with and without stick/puck.

The purpose of the "One Goal Program" is to provide an opportunity for kids to try hockey for a small financial commitment. Hopefully this will increase participation.

Manager Report:

Derek Gale brought in sample jerseys. After a lengthy discussion as to the need of jerseys at different levels, the board decided to begin with new home and away jerseys for the three Bantam teams and one U14 team. Discussion was made regarding Peewee and U12 jerseys but reports were that they were still in good shape. Derek Gale will now take on the position of Marketing Director and Joe Prince will become our new Equipment Manager.

Volunteer Report:

Stephanie would like to have help at the volunteer position. Please contact her if you are interested at stephk23@msn.com. A separate meeting will be scheduled soon to discuss DIBS and volunteer hours and how it can work better next season.

Everyday is a great day for hockey.

Hockey Operations Report:

As mentioned above, HOC provided a detailed list of items needed to improve our dry land facility. Items requested were agility ladders, wood and steel stick handling balls, speed ropes, sweet hand trainers, x-deviator trainer, attack triangles and heads up stick handling. Also on the list were tires and cones, white boards to hang over glass and small goals for mites since many were unusable and have been trashed.

2 Dry land areas:

Area 1: Old Dry land Area

Remove one section of bleachers; create three north to south shooting lanes, two with our new tarps. One lane will be set up with an existing goal and synthetic ice for goalies to take shots in full gear in an 8' x 16' surface. Install the existing six sections of boards (24' on either side) to create a tunnel for the synthetic ice shooting/goalie area. Install new chain link up to 10' with golf netting over top. The goalie shooting area is in the center of area 1 flanked by tarp shooting areas on both sides.

Area 2: New dry land area (formerly Peterson Rink observation area)

The trophy cases will be converted to storage lockers for dry land equipment.

This area will be covered with enamel floor paint and setup with GI Extreme Slide Boards (3), Balance Boards (4) and Custom Slide Boards.

The plan is to have this area equipped with a laptop and projection screen to provide puck handling training DVDs.

Positions available. Please contact HOC if interested.

U8: Mites/Mini Mites, Position Open

Create a recruiting plan

Create a pink dot club – increase girls' participation

Evaluate the season – end by March 15th – break around the holidays

Look at structure – perhaps by grades – closer to like ability

ABC/Tournament, Position Open

Position name change to Tournament Coordinator

Person needs to dialogue with coaches more, get more feedback on tournaments.

Cap on three tournaments – teams can choose to go to more on their dime.

Important position to have cabinet – more voices

Tryout Coordinator, Position Open

Continue to find evaluators that are willing to help out in the process (early)

Receive more input from previous coaches – ask about player, not compared to others

More clarity on team selection and number of players per team

We understand that we need to spend more time on developing procedures – but we also know that traditionally this is an emotional topic for most families.
