COYBL MISSION STATEMENT

The Central Ohio Youth Baseball League is committed to providing an organization and structure for competitive, youth baseball.

Our goal is to provide student-athletes a wholesome and positive experience through the game of baseball. We will provide a framework to learn the game of baseball and life lessons through that experience.

Our goal is to provide varying levels of competition to meet the needs and demands of all players and teams. We will provide an opportunity for each individual player to excel and reach his highest level of potential.

Our goal is to create a safe, competitive environment that will promote sportsmanship and teamwork. We will help youth athletes understand the importance of team and community pride.

Our goal is to provide coaches education and training to serve as mentors for youth athletes. We will aid coaches in furthering the athletic and personal development of youth athletes.

The Central Ohio Youth Baseball League, as an entity, has organized an affiliation of youth teams throughout Central Ohio for league play.

The Central Ohio Youth Baseball League does not organize the teams, select or approve coaches, players or volunteers for any of the teams.

The Central Ohio Youth Baseball League, in order to promote the safety and well being of the youth participants, will require that all teams participating in the COYBL will have the Head Coach submit to a background check and represents to the League and to the parents that no coach has a criminal history of violence of any kind or felony offenses involving drug use.

COYBL strongly encourages Parents and Organizations to conduct due Diligence in selecting coaches and teams for your child's safety.
