

Minnetonka Youth Hockey

MYHA Tournament Policy

MYHA has scheduled 3 tournaments for each team, two in the metro area and one out of town. This season we are allowing teams to participate in 4 tournaments but the following guidelines MUST be followed:

1. MYHA Pre-playoff Game Limit – games will not exceed the game/scrimmage limit.
 - Bantams/15U – 45 games*
 - Peewees/12U – 40 games*
 - Squirt/10U – 35 games*

*this includes scrimmages both controlled and officiated, tournament games and league games.

2. The added tournament is in town (within a 60 minute drive of Minnetonka)
3. The added tournament does not involve rescheduling a league game.
4. The fee for the tournament will be paid out of the team checkbook.
5. The 4th tournament will count as 5 games toward the game limit regardless of how many games are actually played.

If a team wants to substitute a tournament or add a 4th tournament, they must go through the following process:

1. Contact the MYHA Tournament Director at tournaments@tonkahockey.org and provide the following information:
 - Tournament Information including dates, cost, location, levels, website.
 - Reason for addition or replacement of the tournament.
 - Status of refund available (if applicable)
 - Team contact information
 - Vote of team parents - # for/ # against. The vote for a 4th Tournament must be unanimous among all team members.
2. Tournament Director will present the information to the HDC Director and the President of MYHA for approval.
3. The MYHA President will request approval from the D6 Director when necessary.
4. If the additional or replacement tournament is approved, the team will be notified by the Tournament Director.
5. Billing – The team will pay for all costs incurred to book the tournament including any forfeiture charges for tournaments dropped.

MYHA reserves the right to pull a team out of an added or replacement tournament if the tournament process is not followed and/or it is apparent that the Tournament Addendum additional criteria will not be met. If this action results in loss of entry or gate fees, MYHA will not reimburse.
