HEY MOMS & DADS!

Hockey is not as expensive as the rumors—all equipment can be rented or

purchased. Fees are offset by 2 fund raising projects per year. Traveling can be shared with other parents. Kids spend their time in safe and supervised environments where they can still be social. Your involvement becomes a social networking forum with other parents—siblings and young children are always welcomed too—truly a family friendly sport!

As a parent, you will feel the pride and joy of helping your daughter become an individual within her team as she strives to succeed in an environment that encourages assertiveness, competition and commitment in a sport where everyone gets to play.

The BIG QUESTION: (Costs)

Youth Registration: 1st yr free, then \$ 55 to 150 annually; Equipment: annual rentals available (\$ 75 deposit, \$ 50 refundable not inc skates); Skates: used or borrowed can be nearly free!

Sticks: \$ 15 and up :)

Let them TRY IT OUT—you might just catch the STORM fever!
