## HOCKEY

ONE PIECE STICKS-SHAFTS-BLADES

**THE COMBAT STORY-**Back in 1994 COMbat made the first ever composite stick for Pavel Bure under the Bauer name. They made almost all of the composite sticks on the market for Warrior, Easton, Bauer, CCM, etc. They also had their own brand Balistik, the most durable stick on the market. They dropped the Balistik name and now brand as COMbat. This past year they also had the #1 selling baseball bat in the market. They have Dustin Brown, Jaromir Jagr and 17 players in the NHL under the COMbat umbrella and have only been in the market for 2 months!!!
