

Overnight Tournaments Packing List

Ladies,

This is not a competition on who can bring the most stuff.

Remember: #1 You are there to play volleyball
#2 The weekend isn't a fashion show

With that in mind:

Start your packing with your **Essentials Bag**, and the **One Day Tournament List**

Then add:

- Sleepwear
- Toothpaste/toothbrush
- Hair stuff (Brush, comb, hairdryer, etc.)
- Socks
- Underwear and bras
- Street shoes (think- footwear other than your volleyball shoes)
- A change of clothing per day staying (I didn't say three changes of clothing per day) Check the weather channel.
- Some spending money
- \$25-30/ day for food.
- Homework (telling your teachers that you were at tournament over the weekend doesn't get you out of doing homework, trust me my kids have tried. But they have had success with getting time extensions for large projects if they speak to their teachers before the tournament.)

Each morning: Be kind to the housekeepers. Each players needs to corral their belongings into some sort of order.
