**Maverick Camps and the Sports Institute are teaming up again to offer the spring 3 vs. 3 league. Last year was a huge success and we look forward to another year of fun and improvement on the ice and at the sports institute in 2011**

### Camp Philosophy:

Each of the eight ice sessions will include three cross ice 3 vs. 3 games in which players will improve their skills in a low pressure, fun and competitive atmosphere. Making plays with the puck and with each other will be strongly encouraged, taking chances and expanding the comfort zones of each player will be our main objective.

Performance Enhancement & Fitness
