1. Meeting called to order by Dale Laumann, vice president.
2. Approval of minutes. None
3. Treasurer's Report. Trudi Ault, treasurer, has received \$6,350 in receipts from Golf Tournament but is awaiting bills. Eighty-five players have registered to date. Will wait until Sunday until contacting competitive-level players.
4. Dawn Genz reported 363 ducks were sold to date for the Rotary's Nickle Dickle Duck Race. Need to sell more. Dawn also reported that about \$400 was made for the WHA at the Mack Shack three days last week.
5. Tom Battis, ACE coordinator, provided a recap of Community Appreciation Day, Sept. 11. Everything went well; event was well staffed. Setup on Friday night only took two hours. Knee hockey tournament was a success and a good revenue maker (\$730, including \$440 entry fees and \$200 for sale of one of the rinks made by Jeff Balow). Competitive shootout was too expensive. Men's hockey tournament raised \$575; look to expand to four games next time. Perhaps a high school alumni game.
6. Marvin Denzer, D6 representative: Waconia is not required to have a Bantam A team.
