

## Thoughts From the State Chairman

by Mark Reiland

### Junior National Dual Champions

7/6/2005 - Congratulations to the Junior Freestyle Dual team on winning Iowa's first National Dual Meet Championship July 1-3. The tournament, which was held in Enid, Oklahoma, annually pits the top

wrestlers from each state in a dual meet format. This year, Team Iowa came ready for the challenge and proved its number 1 seed was deserved. Team Iowa went 10-0 on the tournament. In the finals, Iowa topped New Jersey for a second time in the tournament. This meet was a back and forth battle that had 3 matches decided in overtime. When the final match was settled, Iowa had a 35-29 victory and its first National Dual Meet title.

Joey Slaton, Mitch Mueller, and Ryan Morningstar all finished the tournament with perfect 10-0 records. This was the 3rd time these wrestlers have competed in the tournament in Enid. Slaton had one regular decision and the rest technical falls in his contested matches. Mueller had all falls or technical falls in his contested matches. Morningstar did not surrender a point in the tournament winning all but one of his contested matches by technical fall. TJ Moen also finished the tournament unbeaten going 6-0. Mike Zimmerly finished his first national level freestyle tournament with a 9-1 record. Matt Ballweg finished with an 8-2 record. Chad Beatty, also in his first national level freestyle tournament went 7-2. Wrestlers finishing with a 7-3 record were Dalton Jensen, Mark Kist, and Romeo Djoumessi. The remaining members of the team that competed in Enid were Andrew Long, Mike Miille, James Nicholson, Montell Marion, Charlie Ettelson, Tom Slater, Jake Kerr, Tyler Pilcher, Zach Covington, and Bryce Boehm.

This was a great group of young men that went to Enid. I am sure all the wrestlers had a memorable experience and will cherish this feat for a long time. But it isn't just the kids that competed over the weekend that should be proud of this accomplishment. This was a feat that was accomplished by an entire program. The coaches at the high school and club level that have helped these wrestlers should be proud. The training partners at both the high school and club level also had a hand in developing these wrestlers to their current levels. The parents for all the support they give their young wrestlers have a lot to be proud of with this group. And last but not least, the tournament personnel that work each week to provide competitions for these wrestlers should also take pride in the championship. Without the people that help run the local tournaments, our wrestlers would not be at the level they are. It was an entire program that won this title.

Congratulations again to the wrestlers that competed in Enid, Oklahoma. You brought home to Iowa its first National Dual Meet Championship.

Congratulations to all of the competitors that represented our state at the Kids National Freestyle and Greco Roman Championships in Green Bay, WI.

In the Greco Roman portion of the tournament, Bruce McWilliams and Nick Moore were crowned National Champions. In the Novice division, in addition to McWilliams, Jack Hathaway, Willie Miklus, and Nate Shaw all made the finals and earned All American status. Two other wrestlers earned All American status in the Novice division, Brandon Sorenson placed 3rd and Justin Koethe placed 4th. In the Schoolboy division, Dylan Carew and Michael Kelly both made the finals and placed 2nd, while Blake Sorenson placed 5th.

In Freestyle, Jack Hathaway, Nate Shaw, Bruce McWilliams, and Nick Moore all won titles. In the Novice division, Dakota Bauer and Willie Miklus both finished 2nd, Travis Mallo finished 3rd, and Justin Koethe finished 7th. In the Schoolboy division, Dylan Carew and Michael Kelly finished 2nd, Jacob Ballweg finished 3rd, and Cody Caldwell finished 4th.

### Congratulations to all of the All Americans.

This year we had twelve individuals earn Iowa Triple Crown by winning the state tournaments in Folkstyle, Freestyle, and Greco Roman. The Bantam division winners were Trenton Watson and Treyton White, in the Midget division were Ivan Wolfensperger and Ben Phillips, in the Novice division were Brandon Sorenson and Willie Miklus, in the Schoolboy division were Jordan Rinken, Levi Wolfensperger, Dylan Carew, and Nick Moore, and in the Cadet division were Derek St John and Joshua Ihnen. Congratulations to all of these winners and to all that competed in the state tournaments this year.

A reminder to all Junior level wrestlers that qualified through a Regional tournament or through the Mick Pickford tournament in Fort Madison, you must contact Jason Christenson immediately to reserve your spot on the national team. The rosters are turned in ahead of time and need to be done accordingly. Any girls wishing to compete in Fargo should contact me immediately!

Good luck to all as you prepare for the final tournaments of the Spring/Summer schedule. I know you will all make us proud.

# Treasurer's Notes

by Steve Knipp, Treasurer

Greetings from the treasury.

I am not sure how much money we have - but so far none of the checks have bounced - Just

a bit of levity.

I over heard someone say that USA wrestling is all about money. Nothing could be further from the truth. The USA/IWF is about wrestling. Our sole purpose is to support wrestling here in Iowa, in our Region, and Nationally. Every dime we take in goes to those purposes. Our local tournaments make little

or nothing. What they do make supports various club and school programs. The Regional events we host, I host most of them, are break even (at best) events. The National events make money, but again, all of that money supports wrestling. The Nationals at UNI, for example, helps the the wrestling team there by supporting its club activities, supplementing its team budget, and providing stipends to non-paid assistant coaches.

The membership money that our organization receives in Iowa is used to support athletes, volunteer coaches and officials, and defray some of the cost incurred by our National teams. We have some folks

who are working very hard to give kids an opportunity to wrestle at all levels.

When you pay the \$30 membership fee to USA wrestling, \$20 of it goes to the National organization. That \$20 is used to support our olympic level athletes. Guys like Tolly Thompson, who just recently won a National Championship in Las Vegas, would not be able to pursue his dream if not for the support we give him with the dues that we pay to USA Wrestling.

The USA/IWF is about wrestling!

On a personal note I would like to thank all of the people who helped this Spring with the Nationals at UNI and the Regionals in Waterloo. Those of you who did your part by working tables, announcing, pairing, officiating, running, posting, helping with hospitality, working registration and weigh in, and all of the other tasks that have to be done as part of a wrestling tournament. I think Biegie did all of the above. Many of you are there to help every time I ask. Until you are better compensated, thank you for all you do.

## Kids News

by Steve Mickelson, Kids Director

As we near the end of the summer wrestling season, it's been enjoyable and interesting ride this first year as Kids Director. It has been a fun learning experience as the year has gone by. Once again the Folkstyle Nationals were held at the UNI-Dome and appeared to run smoother this year than last and had great competition. I believe those at UNI that host the tournament learned

a lot and made adjustments from the previous year. As the spring/summer season has progressed we have seen some great matches as well. As we near the Northern Plains Regionals, I look forward to seeing how our contingent of wrestlers will fare. This summer we have 97 wrestlers headed to Rochester, MN to participate in both Greco-Roman and Freestyle competitions. I believe the future of Iowa wrestling is in good hands with the number of kids continuing to wrestle and improve their skills thru the summer. As the saying goes, "Summer Wrestling makes Winter Champs". Good luck to all of our competitors!

### A FEW WORDS ABOUT THE ON-LINE REGISTRATION

For the most part this part of our program has gone smoothly. One thing that people need to realize is that Iowa does not

have USA Cards printed from the on-line registration. There are a few things that need to be worked out first. YES, I know other states do it, but every state has different requirements. We can't all be the same, now can we? So, a few things to remember for next year: 1) **You need to print off pages 1 of 3, 2 of 3, and 3 of 3 to send to me.** My name and address are on page 1 of 3 in red along with other instructions in red. ( Part of the "other" directions say to send to me within two weeks! ) Some people like to tell me that there were no instructions, BUT THERE ARE INSTRUCTIONS TO PRINT OFF THESE PAGES !!! If you try to go back in to print the pages you need your username and password from the first time. Then, follow the steps below the PINK directions. 2) Please try to allow some time between the time you register on line and the time you really need your USA Card. I have been known to get your cards back to you as quickly as you get the papers to me. Of course, sometimes the mail system is slower than you or me! We do our best, don't we?! ALSO, **when you register on line, please send the papers to me within two weeks.** 3) The e-mail page sent to you is a receipt for your credit card purchase. YOU KEEP IT. Don't send it to me even though it may say to.

### A FEW WORDS ABOUT LOST CARDS

PLEASE communicate with me about the situation. I hate to see you all pay so much money for more cards, because when you don't take your card to a tournament, you have to purchase another at full price, then communicate with me to get part of the money back. That is so expensive and time consuming. PLAN AHEAD. Don't lose your card; and if you do, get to me well ahead of the tournament. If you communicate with me (Denna Massey, 712-366-0738 or [djcm19273@yahoo.com](mailto:djcm19273@yahoo.com)), I can write an email for you to print off and show.

### A FEW WORDS ABOUT ADDRESSES

THANKS to those of you who remember where you pick up your mail. So many young people know where they live so that's the address they use. Some, however, don't realize that their parents pick up their mail at the post office and that a P.O. Box number must be used. Parents, please be sure your young ones know their mailing addresses. ALSO, YOUNG PEOPLE, please use your home address and NOT THE NAME OF YOUR SCHOOL. Some of you (who are proud of your school – and you should be) use the school name for the name of your town/city – sometimes with the zip code for the town and some-

# Iowa wins first-ever National Junior Duals title

John Fuller/USA Wrestling

7/3/2005 - Enid, OK - It didn't quite come down to the final match, but it was close.

By the time the 215-pound had ended, Iowa had clinched its first National Junior Duals title, winning 35-29 over New Jersey Team Josh in freestyle competition at the Chisholm Trail Expo Center.

Neither team seemed to be able to gain much of a stronghold in the dual.

New Jersey took a 13-9 lead, its biggest of the dual, following a 7-5 overtime win by Ross Gitomer over Iowa's Montell Marion at 125 lbs. In the previous match, New Jersey received a 12-2 win by Jimmy Conroy over James Nicholson.

Iowa then went to work, receiving technical fall victories by Joey Slaton at 130 lbs. and Mitch Mueller at 135 lbs. New Jersey was penalized one team point for unsportsmanlike conduct following the 130-pound bout.

Perhaps the most dramatic win for Iowa came at 140 lbs., when T.J. Moen threw New Jersey's Darrion Caldwell near the edge of the mat as time expired to earn three points, sending the match to overtime. Moen then scored two points in overtime for an 11-9 win.

Matt Ballweg (145 lbs.) and Ryan Morningstar (152) then followed Moen's win with technical falls, giving Iowa a 28-16 lead.

The two teams then traded wins until the 215-pound bout. With Iowa already holding the first tiebreaker for most wins, New Jersey needed either two pins or two technical falls without surrendering a point to win the dual.

At 215 lbs., David Zabriskie of New Jersey shut out Zach Covington, but was only able to score four points, cutting Iowa's lead only to 32-28. At heavyweight, Iowa's Mike Zimmerly battled back from a 5-0 deficit to win 11-6 over Jim Powers.

The win for Iowa signaled the first time a team from the Hawkeye state placed higher than third at the National Junior Duals in either freestyle or Greco-Roman.

Illinois defeated Kansas 38-24 for third place. Illinois opened a 28-13 lead and never looked back, receiving a pin from Jim Kennedy (125) and technical fall victories from Tyler Clark (105), Matt McNaughton (112) and Nick Fanthorpe (119). Duke Burk's 15-3 win at 171 lbs. sealed the team victory for Illinois.

Oklahoma Team #1 downed Pennsylvania Team #1 37-24 in the fifth-place dual. Pennsylvania opened a 15-6 lead after five bouts due to technical falls by Jordan Oliver (105), Matt Kyler (112) and Brad Pataky (119), but Oklahoma dominated the rest of the way, winning eight of the final 10 bouts. Lance Thompson (130), Shane Vernon (152) and Jarrod Rosholt (275) won by technical fall for Oklahoma.

In the seventh-place dual, Missouri squeaked out a 33-30 win over the Minnesota Storm. Missouri won the final five matches of the dual meet to come out on top, including a pin by Taylor Moore (189) and technical falls by Michael Moore (171) and Louis Caputo (215).

In the single-elimination consolation bracket, Ohio defeated Michigan 33-25. Ohio jumped out to a 17-2 lead early in the dual and coasted to victory the rest of the way.

If you know of anyone who should be receiving the IWF News and is not getting it, please have them send us their correct address. Chances are their newsletters are not coming because of an incomplete address or we have an incorrect address and it is discarded by the postoffice as undeliverable.
