Other Fundraising Events

- *First Annual Holiday Wreath Fundraiser with North Country Wreaths. Families were given the opportunity to sell a variety of holiday wreaths with 100% of the proceeds after costs used to offset ice bills. Total sales were in excess of \$24,000.00 with more than \$12,000.00 given back to offset individual ice bills! The number of sales were up approximately \$2,000.00 from last season. The fundraiser was very successful and the Fundraising Committee recommends this fundraiser on an annual basis.*
- *New fundraising ideas added: CPYHA Window Stickers and CPYHA Wristbands. The product was featured as items to be purchased at the Concessions Stand. The window stickers cost .80 each and were sold for \$2.00 each and wristbands at a cost of .45 each and are also sold for \$2.00 each. The committee recommends to continue to sales the items at the concession stand.*

Parent Relief Night

March 11, 2011

- *Parent Relief Night is not a fundraising event.*
- *All hockey parents received one raffle ticket.*
- *\$1000 budget for prizes to be raffled off.*
- *40 prizes were given away including the Grand Prize a 32" Flat Screen.*
- *Total amount spent \$990.37.*
- *The Legion had extra staff on this year.*
- *Will need to find a new location next year.*
- *Over 200 hockey parents in attendance.*
- *Special Thanks to Champlin Athletic for 25% discount .*
- *Craig Walters of "SnaggleToof."*

Goalie Equipment

Pat Nelson (Tom)

Goalie Equipment Highlights

Outfitted 30 goalies – down from 39 last season. Some families have elected to either purchase or borrow used gear to avoid the rental fees. Rental fees are estimated at \$1,600.00 for the season. In early 2010, CPYHA purchased new gear to be in compliance with MN Hockey and now has newer gear for all levels. Some of the older equipment in inventory no longer fits the current “butterfly” style goalie and will be considered for future sale. In the past, all of the older gear has been sold on EBay. Pat will continue to do most of the repairs and sterilization of equipment which normally saves the association an additional \$1,000.00 each year.

~ Had one team, 14UA

Girls Team Successes

Team Statistics

**District 10 does not allow statistics to be kept on any team below the 12U level.*

**Two teams at the 10U level, A&B, first time since the 2006-2007 season CPYHA has fielded two teams at the 10U level.*

**The 12U-A team had the most wins of any girls team this season. Many highlights including a 3-3 tie at Elk River who was rated #1 in the state at the time. The girls were competitive in every game and showed great improvement throughout the season.*

**While the 14U-A team struggled in the win-loss column, they showed a lot of heart and determination and the vast majority of their losses were either one or two goal games.*

**Unlike last year, no teams made it to State this year, but with increased involvement from the High School Program, we are optimistic that CPYHA will continue to improve every year.*

Girls Committee Highlights

Marketing to the Public

**The Girls Committee assisted the High School Booster Clue with Youth Night at the Forum. Volunteers helped out with crafts, games and recruitment of new girls.*

**The Girls Committee continued to have a presence at Taste of Hockey and Initial Clinics, offering used equipment free of charge to any girls new to hockey or to CPYHA.*

**The Girls Committee is looking at opportunities to recruit new girls into the association through increasing our presence at community and or school functions. We would utilize current youth and high school players in these recruitment efforts.*

Girls Committee Highlights

Work In Progress

- *The Girls Committee continues to maintain a used hockey equipment drive and through this, we will help outfit some girls who are new to hockey.*
- *Through an offer from USA Hockey, the Girls Committee, in conjunction with the Equipment and House Committee, were able to order practice jersey's for several of our teams for the upcoming year.*
- *As always, recruitment is a focus of the Girls Committee and we have several ideas to try to increase numbers at the 8U/Mite, 10U and possibly 12U levels.*
- *Individual team fundraisers have been discussed to try and off-set ice bills for players on specific teams.*

High School Coach Involvement

- *Jim Koltes was hired in June of 2010, as the Varsity Coach for Champlin Park. He immediately brought an increased level of investment, enthusiasm and involvement in the girls program and has been an active participant in the committee meetings.*
- *Varsity Girls continued to assist with practices and attend games. Coach Koltes offered the use of the Varsity Locker Room to the youth teams for home games.*
- *Coach Koltes conducted a Fall Skills Camp and will be conducting his first Summer Training Program for the girls youth program.*

Multi-Use Facility

Pete Lewis (Steve)

Multi-Use Summary

- *Budget of 2009-2010 was \$5,000.00. Spent \$1,130.00 for preliminary drawings of dry land facility and \$1,057.50 for Boundary and Topography Surveys. The new concept for was reviewed with the City of Champlin.*
- *A committee was formed to visit existing dry-land facilities within the area. Coon Rapids, Blaine, Anoka and Blaine were toured by Pete Lewis, Dan Maslowski and Eric Babst. The overall input from these locations were that the hockey associations did not utilize the facilities to their ability.*
- *Committee members were to report back to the Director and Board with a list of items and costs that would need to be purchased; other concepts such as renting an existing space; liability insurance rates and other expenses. No report was ever completed.*
- *The idea of adding a new dry land facility to the Champlin Ice Forum is closed with the City of Champlin.*

Rebels Thanksgiving Classic

It was decided to change the Rebel Thanksgiving Classic from Squirt and PeeWee B2 tournament to continue the success of our Girls 12U from the previous season. This years tournament was cancelled due to lack of interest for the tournament. We were not the only association with this issue. Orono cancelled their Girls 12U-A tournament as well.

The recommendation of the Tournament Committee is to change the 2011-2012 Rebel Thanksgiving Tournament back to the Squirt and the PeeWee B2 level. Although this level was difficult to fill during the 2009-2010 season, the association still held the tournament.

Rebel PeeWee C Outdoor Tournament

The 2010-2011 PeeWee C Outdoor Tournament was ran by the Tournament Committee. Invitations were sent to all the previous years' participants to be held mid-February. Unfortunately only two teams agreed to come back. The date was changed to the end of January due to weather conditions. Many teams already had their district games and many fell on this weekend.

The goals for next season will be to set the date for the end of January and advertise prior to the beginning of the season.

Ice Summary for 2010-2011

The 2010-2011 season is now behind us. Looking back, the Ice Scheduling Procedures at CPYHA continue to improve and become more consistent, but there is still need room to improve. This year, for the traveling teams, we assigned over 1000 practices and 300 games, with 150 of the games played at the Forum during prime ice times. The house program started the season with a 6 1/2 week long clinic, and then moved into team practices and games.

2010-2011 goals were to improve house ice assigning, and also to better coordinate with Player Development on clinic ice needs. I think both were partially accomplished. Ice for the house program was consistent, with most weekend morning Forum hours going to the house program. The largest stumbling block for the traveling program remains tournaments. With the decreased D10 game schedule, I had several teams want to add an extra tournament after games were scheduled and was asked to reschedule games to accommodate this. While in most cases I was able to do that, this practice not only causes issues with our ice, but also can be an inconvenience to the opposing team. I would like to see this discouraged in the future.

Ice Summary for 2010-2011

The one area I would like to see improvement on for next season is preseason communication. CPYHA has to sign ice contracts sometime in June. Once those contracts are signed, we own the ice and are financially responsible for it. In the past, I have worked on the coming season being the same as the last season. This year that did not work so well. If there are to be significant changes that affect our ice buy, they need to be communicated before June, so the 3 committees that influence this need to have a preliminary meeting and decide a general outline for the season. This means the tournament committee needs to decide if we will host a tournament during the season, house committee needs to decide the length of season, and traveling committee needs to pick a date for traveling tryouts to begin. I would be happy to give any input needed for these items.

Minnesota Hockey Highlights

- *Total skaters in District 10 (non-Mite)) decreased this year from 6,331 to 5,902.*
- *Champlin park Youth Hockey down 25 players (non-Mite).*
- *Increases with Chisago Lakes, Elk River, Hinckley, Pine City and Rogers.*
- *Mites in District 10 down by 104 players.*
- *Champlin Park Youth Hockey Mites down by 31 players.*
- *Second only to Anoka who lost 43 Mite players.*
- *District 10 will eliminate gate fees for District Tournaments next season.*
- *District 10 may extend the season next year by 2-3 weeks. Season would start later in the Fall.*
- *State Districts restructured this year. District 10 lost St. Cloud, Sauk Rapids and Becker Big lake who went to District 5. Irondale added to District 10.*
- *Tim Timm approved for additional three years as District 10 Director.*
- *Colleen Donovan is the new District 10 President (formally VP of Administration).*
- *USA Hockey pushing a plan to eliminate checking at the PeeWee level. Most, if not all of MN District Directors are not in favor. Valid arguments on both sides, but appears the proposal will have sufficient support to become instituted. Encourage members to write USA Hockey/MN Hockey and District 10 with thoughts on this proposal.*
