Gambling Report

Julie Prince reported that revenues have gone up considerably over the last month resulting in higher taxes. Our profit carry over for the month is back up over \$90,000. One pull tab worker has quit. Please contact Julie Prince if you have interest in this open position. Wondering why we don't have pull tabs at Norm's Wayside. We will check and see when their current contract is up. We have one opportunity per year to have a bingo event for the association. Looking for someone interested in helping organize. Julie Prince will assist anyone interested.

Request was made for \$37,200 for October expenses. Motion was approved.

October Board Meeting Minutes

Meeting was called to order at 6:58 PM

President's Report

Pee Wee goalie issue. We are short one goalie for our pee wee teams. We do have interest from one player but an injury will keep him out up to six weeks.

Registration Report

To date we have 349 registered skaters. Numbers are comparable to 2010.

Treasurer Report

Currently have over \$250,000 balance in checking with a little over \$22,000 in accounts receivable.

The question of coaches' reimbursement of \$10 from Minnesota Hockey was addressed. If a coach would like the money refunded this may occur with a request. In the past, most coaches have not requested the funds to be returned. In this case, all refunded fees to the association not reimbursed to coaches may be put into a coaches' apparel fund. We will have further discussion regarding the apparel fund.

Mark Worner announced that the sound system in the old arena is complete. A request was made to pay the additional bill (\$1,700) to the contractor to complete the project. Money from other organizations involved in the project will be collected.

Secretary Report

Motion was made to approve September minutes.
Motion was passed.

Tournament Report

All Buffalo tournaments are filling up and being paid. We ordered little backpack decals for every participant in our tournaments. Any additional decals will be sold or used for door prizes, etc. 2011 Tournaments are looking good.

Reminder: St. Johns University is planning on playing a game in Buffalo on January 7th. We would like to find someone interested in coordinating this event. Please contact a board member if you are interested.

Manager Report

When all traveling teams are picked, Deb Carlson will go over the process of becoming a team manager. Deb will train all traveling team managers for the upcoming season.

GOAL Report

Equipment Report

Mite and Mini Mite jerseys are back with numbers and letters. Larger jerseys have double numbers for future use. New jerseys for PeeWee and U12 will arrive in a couple of weeks.

Pucks and bags have arrived so Joe will continue to put them together and hand them out to coaches.

We are still looking for youth goalie equipment. Not having much luck but we will continue the search.

Mite groups would like to have new cones to work on crossovers. Good cones cost \$12 and cheap cones cost \$5. We may have other alternatives to cones available on site.

Volunteer Report

Stephanie Kohnen was going to try to send out 2,000 flyers to the local school K-3rd graders before the 24th. Not sure if there will be enough time but we will try.

Metro Report

No report.

September Board Meeting Minutes Continued

Hockey Operations Report

Mites are down slightly this year and the parent meeting was held on the 15th.

PeeWees currently have 47 skaters and 3 goalies. A 4th goalie is still in the works.

There will be (2) 14U, (2) 12U, (1) 10U teams this year. Due to numbers, Squirts will be back to 4 teams this year.

Currently we will have (1) A, (2) B, and (1) C teams. Derek Gale wanted to know why B1 and B2 teams were not being discussed at the PeeWee and Squirt levels. Bob Carlson was also concerned with the idea of having equal B teams at the PeeWee level and feels that there is a clear talent line to make a distinction between B1 and B2 players. A lengthy discussion regarding B1 and B2 at the PeeWee level resulted in a motion to have B1 and B2 teams (unequal teams) at the PeeWee level. The motion was passed.

Bill Anderson was wondering what had changed over the past few years that would make us want to have two unequal B teams at the Squirt level. A recommendation by HOC was made for equal B teams at the Squirt level but further discussion and a decision will be made at the meeting next month.

Interviews are being completed for Squirt level coaches and recommendations will be brought to next month's meeting.

Occasionally throughout the season, 90 minute block two-team practices will be scheduled. Each team will have 1/2 hour full ice with a combined 1/2 hour in the middle.

Sponsor Report

Derek Gale is working on getting all information from the previous coordinator.

New Business

We had anticipated a number of St. Michael Bantams to play in Buffalo this year, but that fell through at the last minute.

Old Business

We have an old gas Zamboni arriving from Ely that we can purchase for \$4,000. The city will maintain the Zamboni and use it to maintain outdoor ice at the arena and other rinks around the city.

Marketing Report

No report.

District 5 Report

Coaches will receive extra training this year with additional online modules. There is a new state law regarding concussions and how the officials and coaches make decisions.

An injury tracking system has been introduced at traveling levels this year.

D5 went to a Bantam B1 and B2 league this year with no C league. B2 will play 90 minute games with one resurface. All Bantam C teams had to be moved from C tournaments to B tournaments.

A mandatory head coaching meeting will be scheduled.

Score sheets can be emailed this year to the contact on the D5 website. All sheets need to be sent within 5 days of the game. Anything after 5 days will be fined \$75 per game. Complete instructions will be posted for all scorekeepers.
