

**Benson Hockey Association
2012-2013 Season**

Concession Stand

Open Skate / Open Hockey

BCC Concession Stand will be open for open skate/open hockey. Please check the calendar for your scheduled night and arrange for your own substitutes or exchanges. Please find a rink attendant to open the concession door for you. The rink attendant will lock the concession door for you. General responsibilities include selling concessions, cleaning concession area including sweeping the lobby and cleaning the lobby bathrooms. If more than one adult family member is able to work; other items to be done include, sweeping/cleaning bleachers; cleaning locker rooms; and vacuuming upstairs/downstairs viewing areas. Please record your hours on the Work Log.

Items to be sold during open skate-open hockey nights include candy, slushies, hot chocolate, cappuccino, soda, powerade/G2 and water.

Team Games/Team Tournaments

Each team is to arrange their own worker schedule during their games/tournaments to cover concessions. Plan to open concessions about 45 minutes to 1 hour prior to the start of the game. When the game is done, **please wash dishes, clean machines (popcorn, pizza, cheese, ovens and pizza/pretzel warmer), clean counters, take garbage out, and wash floors** or be ready to hand off to the next team if a second game is scheduled that day. Please be conscientious of the cleanliness of the concession stand and have the items in bold done before you finish your shift. **Also check the lobby bathrooms for any items needing restocked or cleaned.** Please record your hours on the Work Log.

Punch Tickets

We do have \$5.00 and \$10.00 punch tickets that may be purchased and are kept by the cash register. These tickets are especially nice for the hockey players to use to get a snack after a practice or a game!

There is to be no charging of anything in the concession stand by anyone.

All workers need to wash their hands before they start work. A Hand Washing Guideline is posted by the hand sink in the concession stand.
