- L. Teglash to contact George Werner and Bob Poetker to check on the status of the Browncroft fields.

Equipment Coordinator's Report

G. Vacca reported a mistake was made in an order resulting in an abundance of #5 size balls. Valenti's will not allow for an exchange. Discussion was had by all with the suggestion that, if possible, there be a swap between teams and ultimately the purchase of the right size balls once it is determined what is needed.

- G. Vacca reported an inquiry by two Strikers players whether the club will be purchasing goalie shirts. Discussion was had resulting in the decision that goalies will buy their own shirts as most already have them, especially older players. There are some smaller sized shirts available through a swap between team coaches present at tonight's meeting, and they will arrange that between themselves.
- C. Bell made inquiry regarding the locker combinations for outdoor sheds at the Rothfuss and Town Hall fields.
- Discussion was had by all regarding the removal of equipment from the Rothfuss shed to be used at other fields. As the necessary equipment supply is low, it has been recommended that no equipment be removed from the Rothfuss shed. There is a more generous supply of equipment at the Town Hall shed should there be a need to supply a Pen Rec or Browncroft field.

Speed Training Update

D. Garcia reported the fast-leg skill has been introduced to the U11 and older teams as part of skills training.

New Business

L. Teglash reported there are currently 40 players registered for the Libbie Tobin summer soccer camp.

K. Masters reported that, tentatively, goalie training has been scheduled to begin 4/30/11 at Browncroft. The 1 ½ hour training sessions will begin at 10:00 on Saturday mornings and run for four weeks and will be organized in age groups.

- L. Teglash to contact the Coaching Committee to inform them of this training opportunity.
