

2011 WFCB All Star Game Report – Team Rosters

Doug Sarver, WFCB All Star Game – Chairman

After several days of meetings and many hours of evaluation and discussion, the All Star Games Coaching Staffs have selected the 2011 teams. Over 120 schools are represented from all over the state with players being selected from all seven divisions. It is a difficult process for the coaches to go through the over 300 nominations and come up with the (184) 46 players on each team. Unfortunately not all players nominated will be selected but we appreciate those of you that have nominated players and encourage you to continue to nominate in the future. This will be a great experience for all involved with players reporting for All Star week on Sunday July 10th culminating with the games at Titan Stadium in Oshkosh on Saturday July 16th.
