

GREG SMITH SPIRIT AWARD NOMINATION FORM

In 2001 the Pegasus Slow-pitch Softball Association began the tradition of recognizing a league member who went far and above the call of duty in his/her efforts to support the league and promote softball in North Texas. The PEGI Award has become the symbol of thanks and gratitude expressed to those that have truly embodied the spirit of our mission statement, both on and off the field. In late 2011 PSSA lost a member who promoted gay softball in every way possible. In honor of Greg Smith's tireless and selfless support the PEGI Award is becoming the Greg Smith Spirit Award. Throughout Greg's softball career, he was not only a player and coach but also served several times on the Board of Directors and was closely involved in both successful bids to bring the 2004 and 2014 Gay Softball World Series to north Texas.

Nominations should include a brief description of the nominee's personal contributions for the current softball year. Be sure to include all aspects of league involvement when describing a nominee... playing, coaching, fundraising, community involvement, leadership and overall promotion of PSSA. Remember this award focuses on individuals whose current contributions have made a positive impact on PSSA during the current calendar year. An appropriate question to ask yourself prior to making a nomination would be "How has this individual made my softball experience better than what I anticipated...?" Eligible league members may submit the name of one individual for each season's PEGI award. Nomination forms that are not complete or nominations for individuals that are not eligible for the award will be disqualified.
