The Super Cooper Heart Run

Last year the Cooper Life Fund raised \$11,000 in proceeds for needy families of children who were born with serious medical conditions. The money provided families with car seats, strollers, lodging vouchers and other items while their baby was unexpectedly admitted into intensive care. The proceeds will provide medical and social care to the infants and families of infants admitted to the Terrebonne General Medical Center - NICU. Please visit their website at www.tgmc.com. This year the race will take place on Saturday, March 26, 2011 at The Workout Company on Corporate Drive in Houma, LA.

The **Cooper Life Fund** is a 501(c)(3) nonprofit organization created with an objective to develop methods of raising money for institutions that help children and families of children with medical conditions. We also believe strongly in promoting ways for living a healthy lifestyle. John and Ashley Fontenot founded the organization after their son Cooper Fontenot was born in 2004 with a Congenital Heart Defect (CHD).
