

KCIC 3 ON 3 BEAT THE HEAT TOURNEY!!

Take part in KCIC's Beat the Heat 3 on 3 summer tourney. Make up your own team! See if you and your hockey pals can be the best and beat the rest!

Full ice 3 on 3 hockey is great fun, allows for wide open offensive hockey, provides lots of goal scoring, and gives everyone an equal chance to play. All shifts are 60 seconds in length and changes are made "on the fly" with the sound of the buzzer. Players jump in and out of the action and the puck never stops moving. There is no body contact allowed in 3 on 3, no icing, and no off-sides, just lots of puck movement, puck skills, and GOALS!

- \$575 per team
- 4 game guarantee with possible 5th Championship Game
- All games split into two 20 minute halves
- Maximum 9 skaters plus goalie
- 8 different levels of play, pick what level works best for your team
- Lots of ice time, a lot of puck touches, and hopefully a lot of goals!

Enjoy a great weekend of hockey action and enroll your team NOW! All teams must submit their roster and full registration fee at the time of registration. Players may play on only one team. Contact Dean Nelson at 913-441-3033 with questions.
