

EQUIPMENT RETURN

For all Teams Completed with their Season
Monday, August 6, 2012 5:30– 8:00 pm (Final Date)

Centennial Lakes Little League
4175 Lovell Road, #330
Lexington, MN 55014

If the above date doesn't work, please contact Bob Irlbeck at blirlbeck@landolakes.com for other arrangements.

For equipment bags to be deemed complete and ready for return the following must be done:

- Wash and clean all equipment
 - Bats
 - Batting helmets
 - Tees
 - Catcher chest protector
 - Catcher mask and helmet
 - Catcher shin guards
 - **Pitch counter** (for Minors & up)
- **Base box keys** turned in
- Bucket of balls returned (throw out all damaged balls)
- Catchers glove needs to be cleaned and oiled (oil will be provided if needed)
- First Aid Kit – please remove items, machine wash bag, and put useable items in bag.
- Equipment bag – all dirt shaken out, washed with detergent (preferably by washing machine) and dried
- Identify any damaged equipment

Your cooperation and assistance is greatly appreciated. Returning all items as “clean” is critical. Dirty bags, equipment and medical kits will not be accepted. When returning your equipment, you will be asked to wipe down all shin guards and helmets with a protectant and re-stock your medical kit. To speed up the process, you may wipe equipment down with an Armor All type protectant. Base box keys and pitch counters are typical items forgotten.
