World Wide Soccer Complex Rules

- Any use of the facility must have prior written approval from World Wide Soccer, LLC. No unscheduled play, free play, or non-approved play is permitted.
- No play or use is allowed without a facility license agreement, the proper insurance requirements, and signed waivers by players.
- **GOAL SAFETY – PLAYERS ARE NOT TO CLIMB, HANG FROM, OR MOVE GOALS OR NETS AT ANY TIME.**
- **SPEED LIMIT** – Drive safely, and adhere to the posted speed limit of 10 MPH. Driving on the fields is strictly prohibited. Any parent, player or spectator found driving on the fields will be immediately banned from the complex. (Golf carts are permitted to utilize the fields **ONLY** in the event of injured players/participants.)
- **RAIN-OUT** – Stay off wet fields/areas. If the fields are excessively wet, they will be closed for practices and games to protect the fields and players. Please check the World Wide Soccer website for current information, www.worldwidesoccersa.com. Even if the fields are not closed, certain areas may remain too wet to use. Organize practices to avoid any soggy areas. Please be considerate.
- The use of ladders, poles, hurdles and other SAQ (speed, agility, quickness) equipment is **ONLY** to be used on the sides of the fields, off the grass. Please help us to maintain the fields. SAQ equipment usually involves high impact movement on the fields which is damaging to the turf.
- Run all practices in the ‘East-West’ orientation. The next most worn area of the field is the middle, so set up practices to run from touchline to touchline and stay out of the center circle.

- Clean up your trash. After all sessions make sure your teams place **ALL** trash in the trash cans provided.
- Players/participants must clear the fields immediately following their scheduled usage.
- The last team/club/organization at the facility is responsible for turning of the lights. Failure to do so will result in a \$300 fine.

- Both entrance gates must be secured after the day's usage. The last to leave is responsible for securing the entrances. Please make sure the lock is closed securely. Failure to do so will result in a \$300 fine.
