**As a Parent and as an Athlete it is important to recognize the signs, symptoms, and behaviors of concussions.** By signing this form you are stating that you understand the importance of recognizing and responding to the signs, symptoms, and behaviors of a concussion or head injury. **Note:** If your child athlete is under the age of 19, you MUST sign this agreement before your child will be allowed to participate in any hockey activities.

## **Parent Agreement:**

I have read the Parent/Athlete Concussion Fact Sheet and understand what a concussion is and how it may be caused. I also understand the common signs, symptoms, and behaviors. I agree that my child must be removed from practice/play if a concussion is suspected.

I understand that it is my responsibility to seek medical treatment if a suspected concussion is reported to me.

I understand that my child cannot return to practice or play until providing written clearance from an appropriate health care provider to his/her coach.

I understand the possible consequences of my child returning to practice or play too soon.
