

*Player Development Meeting
September 12 and 26
Two Meetings in September for Tryouts*

Meeting Minutes

1. Team Declarations:

Bantam A and Pee Wee A will be playing in the D5 Gold Division

Bantams will have an A Team and a "B1" Team.

Pee Wees will have an A team and a B1 and a B2 team. Will not field a C team.

Squirts will have an A team, two equal B teams and a C team.

12UA – one team

10U – currently 19 skaters. Will need more if we want to move to two teams.

Will have to decide if A and a B

2. Fall Camp/Tryout Groups:

Squirts: Two Groups (Red and Black)

Pee Wee: Two Groups (Red and Black)

Both of these groups will be broken up according to alphabet

Bantams: One group

Goalies: Will be evaluated as one group and then with scrimmages

Tryouts:

Squirts – Two weekends – Broken up by alphabet first weekend

Pee Wee – same format as squirts

3. Fall Camp Coach Coordinator:

Goalies: Jake Engquist

Squirts: Aaron Stellmach

Pee Wee: Brian Nelson

Bantam: Mark Jenson

Girls – Bill Kuhlman and Mitch Sweep

4. Goalie Policy

In the event of a coach having two goalies on a team several considerations need to take place by the coach:

1. A goalie should play the entire game, do not split the time if possible.

Rationale: It is difficult to find the "half way" point in a game sometimes. Family members would like a consistent schedule to follow to support their player.

2. It is recommended that the goalie that is not playing does not skate out as a forward or defense.

Rationale: A goalie does not tryout as a skater and therefore could potentially be misplaced on a team. He/she may not be a great skater and could ultimately hurt the team if he/she were skating out.

EXCEPTION: At the Squirt B or C level, PDC is encouraging a coach that has two goalies, to have their extra goalie skate out during the game. At this developmental level, a player may find more success in another position and still have time to be successful.
