

***Player Development Meeting  
November 21, 7:00 p.m.  
Ron and Judy's, Paynesville***

1. Review Tryouts:  
Discussion was held reviewing the tryouts for the 2012-13 season. The discussion looked at possibly using the EM Break as the second weekend for tryouts. After much deliberation, it was agreed that scheduling for the 2013 tryouts we would move the second weekend of tryouts over the long EM weekend. Otherwise, the format was discussed and agreed that we would continue the same process. Skill's for the first tryout day of each weekend and scrimmage for the second.
2. Coaches Meeting:  
Short discussion regarding the second annual coaches meeting. The date was set for December 19<sup>th</sup> and Ron and Judy's. Mark will be handling the agenda and all coaches for the association will be invited. This meeting will be in place of the regularly scheduled PDC meeting for December.
3. Pre – Season Concerns/Goalie  
Each member was given an opportunity to discuss any pre-season concerns that they may be aware of at this point. Mark discussed the mite situation and stated that things were moving progressively. Goalies have been assigned to Jake Engquist and after a slow start it appears that things are moving in the right direction. Jake was to be in Richmond and Paynesville four times a month with two times in each building. Also the high school goalie coach will be assisting during skills night in Paynesville on Monday each time so that that is additional goalie time as well. Jake is receiving a stipend for his work with the goalies so the majority of the scheduling/programming will fall to him.
