

REQUEST FOR FINANCIAL ASSISTANCE

Information

The purpose of financial assistance through the AHFSH Youth Soccer Financial Assistance Program is to allow children an opportunity to participate on a club team, who, but for financial assistance, would not have an opportunity to play. The families for whom such assistance is available are those families suffering an extreme financial hardship, generally of an extraordinary (or short-term) nature.

Families at or below the U.S. published poverty income level (the 2021 level is \$26,500 for a family of four), or families who were above this level during the past year but have met with an extraordinary financial situation, may apply for assistance. *Note: The **maximum** award will not exceed 60% of the total registration fee.*

The following information must be provided (*incomplete applications will not be considered*):

- 1) Completed application (form is attached)
- 2) Most recent federal income tax return
- 3) Paystubs for recent two months for both parents
- 4) Explanation as to reason financial assistance is sought, as well as an overview of financial situation (investment value, home value, etc.) *Note: property tax appraisal information will be considered.*
- 5) Any additional information that may be requested by AHFSH.

NOTE: The FILING of a financial assistance application in no way guarantees an award by the Club. Available financial assistance is limited, and all financial assistance awarded is at the absolute discretion of AHFSH. All fees, net of any financial assistance expressly received, are due to AHFSH.
