

### Grub Box Tournament Rule notification

Please be advised that in the attempt to keep the 2013 Grub Box Tournament schedule running on time, the tournament committee has made the following changes to the tournament rules.

- Timekeepers will sound the buzzer as soon as ice resurfacing has been completed. This will indicate the start of the 5 minute warm-up. Please have your teams ready so that they don't miss their warm-up.
- Games will start immediately after the completion of the warm-up.
- Ice resurfacing will occur at the completion of every 3rd period.
- All periods will be 15 minutes.
- The first period will be 15 minute straight time.
- The second and third period will be 15 minute stop time.
- Straight time and stop time penalties will be the same in duration.
- The A side finals for the "AA" and "A" divisions will be three (3) 15 minute stop time periods. Ice resurfacing will occur at the completion of the 3rd period.
- *Game Star* and *Digger Awards* will be given out on the ice only if time permits. If time is a factor, coaches will be asked to present awards to players in the dressing room following the game.
