Officer/Committee Reports

- President
 - Discussed rule changes for football sizes. 2nd/3rd and 4th use the Junior size ball. 5th – 8th use the Youth sized ball.
- Equipment
 - Extra box of ice packs and shoulder pad straps were ordered.
 - Need to fix up shoulder pads during the offseason.
 - Some of the new black pants we ordered have been ripped during the first week of practice/games. We need to check in with the Metro rep to see if something can be done about these.
 - White practice pants do not need to be returned at equipment turn-in. Label the helmets with the player's name and helmet-number on a piece of blue painter's tape.
- Fields – no report
- Coaches – no report

New Business

- Football will be giving a presentation at the St. Anthony Boosters board meeting in November. Board members indicated interest in being at this meeting.
- We will have a separate day for 7th and 8th grade equipment return as their season will be over before the 2nd-6th grades.
- We would like to have an end-of-the-year coaches' meeting for coaches to recap on what went well and what did not. To get advice on what to look for next year in coaching. We discussed where to have the meeting and what to provide for refreshments.
- Jared suggested that we use the calendar functionality on new website to keep track of field usage during the season. Coaches could go here to see what field space is available for practice.
