

2023 Western Wisconsin Baseball League Rules

The Western Wisconsin Baseball League (WWBL) is a league for players in a recreational program, but is considered on par with the "A" level of traveling baseball. The "A" level is defined as: *An intermediate level essentially designed to be a developmental league to provide a competitive experience until they are ready to advance to a higher competitive level.*

The following basic rules and regulations will govern play in the Western Wisconsin Baseball League. Except for the modifications below, the league will follow the National Federation High School League (NFHS) rules. A copy of the High School rules can be found at www.hudsonboosters.org under the "[Baseball / WWBL](#)" link.

 - Age: Cannot reach 15th birthday prior to **Aug 1st** of the current year.
 - Grade: Must be in grade 8 or lower at the beginning of the season.
- Special circumstances can be considered. For example, a home-schooled player who is in the 9th grade academically but meets the age criteria can petition the home association. Forward special circumstances to the league administrator.

USING NON-ROSTERED PLAYERS

- On a single game basis, special circumstances can be used to supplement a team's roster. Coach must contact the other coach to inform them that a supplemental player is needed.
 - Fill in players should not be rostered on a traveling team, but if that's your only option, you must notify the other coach of that fact.
 - Fill in players are not allowed to play in a game if there are 9 available rostered players.
 - Fill in players are not allowed to pitch or catch during the game.

GENERAL RULES

- Except for the modifications below, the league will follow the **National Federation High School League** (NFHS) rules.
 - A copy of the High School rules can be found at www.hudsonboosters.org under the "[Baseball / WWBL](#)" link
- Game consists of 7 innings.
- Game time limit
 - No new inning can begin **2 hr. 15 min.** after the start of the game
 - Start of game begins when the home team takes the field at the top of the 1st inning, not the first pitch.
 - Both teams must agree upon start time.
 - Home team keeps official clock and gives the umpire time updates.

- Time limit for 2 WWBL games scheduled at same field
 - Game 1
 - Starts at 5:30
 - No new inning can begin on or after 2 hrs. (7:30)
 - If you're in the middle of an inning when reaching the cut-off limit (2 hrs. after beginning) you are allowed to finish the inning (both top and bottom (if needed))
 - Game 2
 - Start time for 2nd game is at the discretion of the Home team association. (Recommend 7:30 start)
 - Teams should arrive 15 minutes before scheduled start time in case the first game gets over prior to the cutoff time
 - No new inning can begin after the 2-hr. time limit has been reached
 - If you're in the middle of an inning when reaching the cut-off limit (2 ½ hrs. after beginning) you are allowed to finish the inning (both top and bottom (if needed))
 - At umpire's discretion, can play extra innings if score is tied at end of cutoff time.
- Games can be started and played if each team has at least 8 players.
 - If agreed to by the head coaches, players from one team may play defense on the opponent's team so that each team has 9 fielders.
- If the score is tied at the end of the game (7 innings or Time Limit)
 - Extra innings will be allowed based on weather conditions and sunlight. (Umpire's decision) Do not risk injury due to darkness.
- The 10-run rule will take effect after 4 ½ innings if the home team is ahead, and after 5 or more complete innings if the visiting team is ahead.
- If the game is called for any reason after 4 ½ innings and the home team is winning, or 5 complete innings, the game is considered complete.
 - Games called before that time are incomplete games, and will need to be rescheduled unless the coaches agree that it is a complete game.
- If the game is called for any reason in mid-inning, the score will revert to the score at the end of the last completed ½ inning.
 - Exception: If the home team has scored enough runs to tie or go ahead in the ½ inning that has been called, the score of the game will be the score when the game was called.
- Hosting team is responsible for providing an umpire.
 - Only one umpire need be scheduled for each game.
- Each team must supply 1 new game ball for each game
- Home team shall keep the official scorebook. It is recommended both teams reconcile their scorebooks after every inning.
 - In case of a dispute, the home team's scorebook will be the one to determine the final score.
- Continuous batting and free substitution will be used. (See pitching restrictions)
 - All rostered players in attendance must be in the batting lineup and play at **least 3 innings in the field.**
 - Playing time exemption will be allowed for shortened games due to weather or the 10-run rule.
 - If a team has more than 14 players on their roster, they may "trim" their roster to 14 players for an individual game.
 - If a non-trimmed player gets injured, you can substitute a trimmed player in that batting position.
 - Players cannot be "trimmed" in consecutive games. (Includes Playoff games)
 - Coach must keep a record of what players were trimmed for each game, and should be available to the opposing coach. (This becomes more important in the play offs)
 - If a player is injured during the game, simply collapse the batting order. There is no automatic out for his batting place in the original lineup. If the player returns, simply reinstate him in the original batting order.
 - If a rostered player is sitting out because of the "trim" rule, insert that player into the batting order for the injured player.
- Batter may advance on a dropped 3rd strike if there are less than 2 outs and 1st base is not occupied at the time of the pitch.
 - A runner on 1st attempting to steal 2nd base at time of pitch, 1st base is considered occupied.
 - If there are 2 outs, batter may advance whether 1st base is occupied or not at the time of the pitch.

BASE RUNNING:

- A player may lead off and steal at any time.
- A runner will be called out for:
 - Running out of the baseline to avoid a tag out
 - Exception for running out of the baseline to avoid contact with a defensive player who does not have possession of the ball and is blocking the direct line to the base.
 - Hurdling over an offensive player unless the player is prone on the ground (kneeling is not prone)
 - Making contact with a fielder coming into a base or home without sliding (No contact, no penalty)
 - Interfering with a defensive player trying to field a hit ball

- Being hit with a batted ball before a defensive player has a chance to field the ball
 - A head first slide, except when returning to a base or in a rundown play.
- Courtesy runners:
 - The last batted player to be put out will be allowed to run for:
 - The player who will be the catcher in the **next** defensive half inning.
 - An injured player.
- If the ball goes **out of bounds** (over/behind the fence, behind the backstop, etc.), the runners are awarded 2 bases from the start of the play.
 - If the overthrow is from the infield, all runners will advance 2 bases from the base they occupied when the ball was hit.
 - (e.g.) Runner on 1st base, ball hit to the SS. SS throws the ball over the 1st baseman's head and it goes out of bounds. Runner on 1st is awarded 3rd base, Batter/runner is awarded 2nd base.
 - If the overthrow is from the outfield, runners may advance 2 bases from the last base they occupied when the throw by the outfielder was made. (Start of play).
 - (e.g.) If a runner on 1st base has touched 2nd base before the throw by the outfielder that goes out of bounds, the runner is awarded Home. If the runner on 1st base has not touched 2nd base before the throw by the outfielder, the runner is awarded 3rd base.

PITCHING

- A player may pitch a maximum of 4 innings per game and a maximum of 12 innings per week.
 - One pitch in an inning constitutes an inning pitched.
 - Restrictions may be modified for the end of year tournament.

 - Succeeding innings, including re-entry, the pitcher is allowed 5 warm-up throws including the throw to 2nd base.
 - If catcher is delayed in getting to warm up the pitcher, have a coach or another player assigned to catch warm ups until the catcher is ready. If a non-catching player is warming up the pitcher, he must be wearing a catcher's mask.
- **Intentional walks are not allowed.**

COACHES

- Each coach must be registered by e-mail to the WWBL e-Mail address (wwbleague@yahoo.com)
- Information required for each coach or Team Manager assigned to a team:
 - Team name (Include community e.g.: Hudson Navy)
 - Coach(es) name
 - Coach(es) e-mail(s)
 - team **MUST** have an e-mail contact. If the coach does not have/use e-mail, then another coach or parent on the team should be the designated e-mail contact for that team.
 - Coach(es) Primary phone
- A coach's list will be sent to each coach via e-mail address plus be posted on the WWBL website.

COACH/PLAYER/SPECTATOR BEHAVIOR

Coaches, managers, and parents are to set good role models and high standards of conduct for the players. Players will be expected to follow this example by exhibiting good sportsmanship, conduct, and citizenship.

There is a zero-tolerance policy as it relates to coach, player, or spectator behaving badly.

- Any player, coach or spectator ejected from a game will be removed from the vicinity of the ballpark immediately.
 - Failure to comply with the ejection in a timely manner will result in the game being forfeited.
- Any player or coach ejected during a league game will be immediately suspended for the next played game.
 - The umpire and/or association that ejects a participant must inform the association of the ejected participant and the WWBL Administrator via email at wwbleague@yahoo.com
 - A hearing may be scheduled with the home association/community to determine the future of the player, coach or spectator that was ejected.
 - The decision on reinstatement back into the league by the home association/community will be upheld by the WWBL Committee.
- A second game ejection will result in suspension from the remainder of the team's regular season and playoff games. Please keep in mind that you are participating in youth baseball. Therefore, unsportsmanlike conduct will NOT be tolerated.

UMPIRES

- Remember that these are mostly high school kids, and need all the support you can give them. Their job is hard enough without added pressure for coaches, players, and spectators.
 - If you see/hear someone acting badly towards an umpire, it's the coach's job to end this behavior
- Help them out if they misinterpret a rule, even if it means that the call goes against your team. Do not take the attitude that the umpire doesn't know a rule it's not your fault. Take the attitude that you are creating better umpires for the league.
- No coach may stand behind the backstop or make any attempt to influence a strike/ball call by an umpire.
- Any parent behind the backstop that interferes or attempts to influence a strike/ball call must leave that area before the game resumes.

STANDINGS (found at the Baseball/WWBL page on the Hudson Booster web site.

- Each team will receive 4 points for a win, 2 points for a tie and 1 point for a loss.
- Teams tied in the standings will be placed by the following precedence:
 1. Head-to-Head competition
 2. Best winning percentage (games won divided by games played)
 3. Least runs allowed head-to-head
 4. Least runs allowed - All games
 5. Best positive run differential in all games played

REPORTING SCORES

- The **winning team is responsible** for reporting game scores.
 - In the event of a tie, the Home team will report the score.
- Scores should be reported no later than the Saturday of the current week.
- Current standings will be available on the Hudson Booster website (www.hudsonboosters.org) and be e-mailed to the registered coaches or team contacts.

 - Game date,
 - Winning team and score
 - Losing team and score e.g. 6/14, Hudson Navy 6, New Richmond Black 5

 - Make every effort to reschedule.

 - Awarded game (forfeit) score will be reported as 7-0

RAIN-OUT OR RESCHEDULE PROCEDURES

- In the event that a field is unplayable due to weather or a game needs to be rescheduled, the home team coach must:
 - Notify the other coach as soon as the decision is made not to play the game. This should be done as soon as possible
 - Home team coach is responsible to work with their association to reschedule the game. Both coaches must agree on a specific date.

LIGHTNING RULE

- When thunder is heard within 30 seconds of a visible lightning strike, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Suspend play for 30 minutes and take shelter immediately.
- Any subsequent thunder or lightning after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.
- If a game cannot resume because of weather, don't even try. Safety is always your first priority and erring on the side of caution is never an error.

HEAT INDEX RULE from the Wisconsin Interscholastic Athletic Assn (WIAA)

- Games to be cancelled if there is a heat index is higher than 104⁰
- Heat index of 104⁰ or less, make sure players are keeping hydrated and doing what they can to keep cool.

 2. Least Total runs allowed in pool play
 3. Most Total runs scored in pool play
 4. Coin flip

Tie Breaker Example: 3 team pool, all 3 teams have a 1-1 record

Game 1 A=5, B=4 Team A: 1 – 1 Allowed 10 runs in pool play

Game 2 A=3, C=6 Team B: 1 – 1 Allowed 7 runs in pool play

Game 3 B=6, C=2 Team C: 1 – 1 Allowed 9 runs in pool play

- Cannot use “head-to-head” tie breaker, all 3 teams are 1-1

- The “Runs allowed” tie breaker eliminates team A (highest # of runs allowed) and leaves teams B & C

 - The postponed game will start with the score at the **LAST COMPLETED ½ INNING**
 - The lineup and pitcher do not have to be the same as when the original game was called.
 - Pitchers will have 4 innings allowed and 1 re-entry in postponed game.
