This report focuses on the foundation of USA Hockey's player base – the 8 & under age category. It examines the entry-level age class both at the National and Affiliate level for the past five seasons, in addition to the past three seasons at the association level. The objective is to help all levels of USA Hockey's structure understand their past performance and create achievable growth goals for the 2013-14 season.

Recently, concentrated growth efforts in the 8 & under age category has produced positive results:

- 8 & under participation has seen a 15% increase since the 2007-08 season
- During the 2012-13 season there were 102,956 players; the 3rd highest in USA Hockey history

To continue increasing participation, USA Hockey's efforts remain focused on these key initiatives:

- 1) Attracting new players each season
- 2) Retaining players from one season to the next

By increasing the number of players at the 8 & under age level, associations are positively impacting growth at the older age levels. The table below demonstrates that recent growth at the 8 & under age level is improving the larger 9 to 14 age groups and supplementing long-term growth.

%	-1.6%	-2.5%	1.7%	1.8%	0.6%

Putting growth initiatives into action requires a coordinated effort between USA Hockey national staff and local youth hockey grassroots volunteers. The 2 and 2 Challenge, as explained on page 5, is a comprehensive program utilizing existing national growth programs, resources, and tools to help local youth hockey leaders achieve their 2 and 2 Challenge goals. The 2 and 2 Challenge goals for every association are to add two additional new players and retain two more players than the previous season's total.

Combining established growth initiatives with USA Hockey's American Development Model will ensure greater skill development and increased participation.

RETENTION INCREASES WITH AGE

2 AND 2 CHALLENGE

The 2 & 2 Challenge is a comprehensive growth program for local associations. It is a blueprint that guides youth hockey leadership through national programs and tools to reach their growth goals of acquiring two additional players and retaining two more players than last season.

To complete the 2 and 2 Challenge, associations utilize three programs that drive growth – **Retention**, **Acquisition** & **Conversion**.

RETENTION—*Welcome Back Week* September 16th-22nd

Reaching out with a personal invitation to return to youth hockey is crucial. For this program, associations coordinate phone calls inviting families back to youth hockey.

ACQUISITION—*Try Hockey For Free Days* November 2nd & March 1st

Try Hockey events provide associations the opportunity to attract new families to the rink. Last season over 17,000 kids were introduced to youth hockey through this program.

CONVERSION—*Transition Program*

Children that sample youth hockey don't always become a new hockey player. A low-cost, low-commitment program to easily transition families from try hockey to youth hockey will significantly increase the likelihood of adding more players. An example would be a Learn-to-Play or mixing them in with a current beginner program.

By taking advantage of all these growth programs, participating associations will be recognized nationally as achieving the 2 and 2 Challenge and rewarded for their efforts.

www.2and2Challenge.com or call (719) 538-1124.

2 AND 2 CHALLENGE GOALS

ASSOCIATION

The 2 and 2 Challenge goals for every association are to add two additional new players and retain two more players than the previous season's 8 & under player total.

Below is an example of an association that achieved their 2 and 2 Challenge goals from this past season and their new goals for 2013-14:
