

MTsc Playing-Up Consent Form

Metro Tulsa Soccer Club (MTsc) requires permission from a parent/guardian for any soccer player requesting to “play up” above the age bracket governed by his/her birth year. The intent is to clearly communicate to the parent/guardian the risks involved with a younger child playing soccer with older children and to indemnify MTsc of all of those risks.

Before giving your approval for your child to play up, please consider your child’s maturity, size, coordination, muscular development, attitude, and social development in comparison to the team members of the older team.

I, as a parent/guardian, voluntarily request and am aware that my younger player will be playing against older, usually more physically developed players whose soccer skills may be more advanced and whose play may be more physical.

As parent/guardian, I hereby request and give MY PERMISSION for my child,

_____ (_____)
Name Birthdate

to play up from the U age bracket to the U age bracket for the _____ season.

In granting my permission, I release Metro Tulsa Soccer Club and all of its associated organizations, administrators, employees, and volunteers from all responsibility should my child be injured, no matter how seriously, and will not hold them liable for any injuries that might occur.
