• Ball begins on the heel of the blade with the blade cupped.  
• Stick and ball start behind back foot.
- 2 • Sweep the ball forward and shift weight to the front leg.  
• Use a quick push/pull action with the arms and quickly roll wrists over (top palm up, bottom palm down).  
• Ball moves from heel to toe of the stick blade as it is released, ending with a flick of the wrists which accelerates the ball.  
• Rotate upper body toward the net; shoulders finish square to net.  
• Follow through until top hand palm is facing up and bottom hand palm is facing down, pointing stick at target.
