

## **Player Non-Payment of Fees Policy**

Approved and Updated May 2020

1. All fees must be current and each member's account in good standing in order for a player to practice or play in any non-conference or conference game for Hinsdale Central Hockey Club (HCHC).
2. If a family cannot make the current season registration fees, a payment plan can be drafted and put in place that is acceptable to the family and approved by the board.
3. If a payment plan is agreed upon, the parents of said player must sign off on and adhere to the payment plan in order for each player to take the ice in a practice or game.
4. If necessary, a player's family can seek board approval for a hardship plan. Such plans are drafted and approved each season. Once finalized, the same rules apply as above, all payments need to be made on time and account in good standing.
5. If payment plans or hardship plans are not approved by the board or account not in good standing and the player seeks to play for another team, AHAI will be notified. HCHC will not support the players eligibility or allow them to play for another team.
6. Payment plans or hardship request must be applied for, approved and implemented before a player is allowed to take the ice for the first practice at the beginning of the season.
7. Any players account this is not in good standing will be given a ten (10) day grace period to make a payment. If this requirement is not met, the player will be indefinitely suspended from the team until the account is made up to date.
8. All financial requests or allowances, will be done in conjunction with members of the board and the Webmaster.
