Notes:

- **Complete** means that an official has met all requirements for the level for which he/she has applied.
- **Incomplete** means an official has filed an application and has not completed all the necessary criteria for attainment of that level.
- A new official (not registered the previous year) may not officiate until he/she is *complete*. An official registered last year may not officiate after November 30 of the current season (USA Hockey expiration date for last year) until he/she is *complete* for the new season.

Open Book Rules Exam

Each season all officials must complete the open book rules exam. This exam can now be completed online. Officials who do not receive the minimum score for the appropriate level will receive a retake notice. Only one retake exam per official is allowed. An official who fails the exam twice will be registered at the highest level for which the retake exam score would qualify (See Classification Requirements for required exam scores).

New Officials

(Never been registered)

All persons who have never officiated must register at **Level 1** for the first season. Exceptions to this rule may only be made by the Central District Referee-in-Chief, prior to registration, in extreme cases in which the applicant has extensive hockey officiating experience that would foster registration at **Level 2**. No first time registered official may register above **Level 2** for the first season. Contact the Central District Referee-in-Chief **PRIOR** to registering with USA Hockey at Larsontool@Lcom.net.com.

Renewal Officials

Renewal officials may apply for one level higher than the level at which they were completely registered last season. Officials are allowed to take one season as unregistered or incomplete without penalty (except for Level 4). Officials who take one season off may apply only for the level at which they were completely registered the previous season or a lower level. Level 4 applicants must have been completely registered at Level 3 or 4 the previous season.

Returning Officials

(After 1 or more seasons) Unregistered or Incompletely Registered

We are always happy to have officials return to the USA Hockey Officiating Program after some time away from the program. Because of your past experience with our program you may be able to register at a higher level than Level 1, depending upon the level at which you were last registered. As a general rule, officials may take one season off (unregistered or incomplete) without forfeiting their current status, except for Level 4. If, however, an official is off (not registered or incomplete) for the previous seasons, they must apply for registration one level lower (except Level 1) than that of the last season *completely* registered. If you have any questions regarding your status as a returning official please contact the MWAHA Referee-In-Chief: Kyle Larson at Larsontool@Lcom.net

Officiating Games

Registering with the USA Hockey Officiating Program does not guarantee any official game assignments. Officials are responsible for obtaining their own game assignments from local game schedulers as designated in your local area.

Any scheduler who assigns improperly or incompletely registered officials is subject to potential legal action as he/she jeopardizes the insurance coverage of the officials and both teams involved. Schedulers may view listings of currently registered USA Hockey/MWAHA officials on the MWAHA Web Site.

Registration Tips

Most of the success of the registration process depends on you. The following tips will help you speed up your referee registration.

MWAHA Registration

- Register early in the season. Registration begins August 9.
- Complete your MWAHA Background Screening process before attending a Seminar (if required).
- Our local seminar schedule is complete by early November.
You cannot become an official unless you attend a USA Hockey/MWAHA seminar.
- All officials must register with MWAHA on-line. Checks or cash are not accepted. MWAHA directive requires all officials to attend a USA Hockey seminar administered by MWAHA. Officials wishing to attend a USA Hockey seminar which is **not** administered by MWAHA must do the following:
 - Register on line with MWAHA. Select 'MWAHA fee only – No Seminar Credit' for the level for which you are registering with USA Hockey.
 - Email Larsonstool@Lcom.net the seminar outside of the Affiliate that you propose to attend at least one week prior to attending. This email must include the date, times and location of the seminar. The MWAHA Referee-in-Chief will notify the registrant via e-mail if seminar attendance at a seminar not administered by MWAHA is approved.

USA Hockey Registration

- Register online early in the season (Registration begins August 1st).
- All Officials MUST register online at www.usahockeyregistration.com

- Complete the online registration process.

Seminar Attendance

You do NOT have to apply to USA Hockey or complete the USA Hockey Open Book Rules Exam before you attend a seminar administered by MWAHA.

- Be sure to bring your Seminar Confirmation Sheet to your seminar and hand it in on arrival to your seminar instructor.
- **You must attend the entire MWAHA Officiating Seminar to receive credit for attendance.**
- Renewing officials: Bring a current rule book, manuals and pencil & paper for taking notes.

USA Hockey Open Book Exam

- Complete the open book exam online promptly.
- Use the rule book to answer all questions – **DO NOT GUESS.**
- Answer all questions you are required to answer [Level 1: 50 questions; Levels 2, 3 & 4: 100 questions] (See Classification Requirements above).
- Record your answers and rule references and save for future reference.
- If you need help with your open book exam contact your local officials representative.
