

National Recruiting Profiles

Specifically designed to promote prep athletes

Clean. Simple. Effective.

In 2011, Minnesota Baseball Academy created its newest offering – ScoutStop's National Recruiting Profiles – your own webpage that includes your scouting video, professional scouting reports, contact info, academic information, references and more. Colleges and professional scouts will have instant access to your profile and video 24-7.

For student athletes, a large amount of time is dedicated to learning about college's academic and athletic programs. Making phone calls, filling out questionnaires and applications, writing emails and sending faxes are all a part of the recruiting process.

Streamlining the process is key to making sure your time, money and talent are being used and marketed wisely. By creating your own National Recruiting Profile, you'll give scouts a simple and sharp look at all the detailed information they are looking for including everything from your GPA and ACT to video analysis of your athletic ability.

The result is you work more effectively, your exposure grows extensively and your administration costs go down. If you are looking for your son or daughter to have an edge on their competition, please take a look at what National Recruiting Profiles has to offer you!

Tournament Rules

Unless noted prior to the event, Major League Baseball Rules will be used with the following notations. ScoutStop reserves the right to enforce particular invitational tournament rules.

- Home Team: Team Listed 2nd on Schedule.
- College slide rule on all bases. Feet first at home please!
- Pitchers do not have to throw an intentional walk.
- If batting the entire lineup and an injury or ejection occurs it will also be an out but only the first time around the batting order.
- Line-Ups: A team may bat 9 players or more. A DH may be used for pitcher. You may have an unlimited amount of EH (extra hitters)
- Infield Warm-Ups: All teams are encouraged to warm-up as much as possible before game time. No pre-game infield unless time allows for BOTH teams. (4 minute infield per team)
- ScoutStop will provide game baseballs – please have extra ones (new) if needed
- BAT RULES – all wood / composite required
- Uniforms: Numbers necessary, matching uniforms recommended. Players must use the same uniform number throughout the tournament to help maintain accurate pitching charts
- Adverse Weather: ScoutStop Baseball Tournaments could be played in adverse weather conditions. The format may be changed and may include fewer games, lesser time limits or fewer innings to complete the tournament. Coaches and players accept these conditions when entering the tournament.
- Decisions: Tournament Director / Field Supervisor shall have final decision on all tournament questions.
- Hotels/Motels/Condos: Teams that leave unpaid bills or damages will be removed from the tournament and possibly banned from future events.

Tournament Rules cont.

- Refund Policy: There will be a \$50 administration fee charged for complete rain outs; 1 game played = 50% of entry fee; 2 or more games played = no refund.
- 7 innings or a 120-minute limit , whichever comes first. If a team is in the midst of an inning at the time limit, that team will finish that full inning. No new inning will start after the 120-minute limit. **A new inning begins at the moment of the 3rd out of the previous inning. Pool play games may end in a tie.**
- Championship play (must have a winner) If the game is tied at the end of regulation (7 innings or 120-minute limit), the away team will start the next inning with the bases loaded (last 3 recorded outs) with one out. The bottom half will do the same until a win is recorded. Championship GAME will no time limit.
- No Show: Teams that no-show will forfeit their entry fee and may be subject to suspension from competition in ScoutStop events for the following season.
- Courtesy Runners are allowed for the pitcher and catcher only. The courtesy runner must be either the last batted out or a legal substitute from your bench not having played in the game. The same legal substitute may run for both the pitcher and the catcher.
- Tie Breakers: Record / Head to Head / Runs Allowed / Run Differential / Coin Flip

RUN RULES

- 15 runs after 4 / 10 runs after 5 innings / 8 runs after 6 innings
- Protest Fee: \$100 cash (on rule interpretation only). Protests must be done immediately (before following pitch). Please inform the umpire(s) and then proceed to find the tournament director / field manager.
- Player Minimum: A team must start with a minimum of 9 players but can finish with less, taking an out in the vacant batting order position(s).
