

LUCK

810 – S 7th Street
Luck WI 54853

Luck School District has one school K-12. It is located on Big Butternut Lake.

Coming from the North:

Take Wisconsin Interstate 35 to Luck. There are two major entries to Luck - Hwy 48 and Butternut Avenue. Continue to the Butternut Avenue Exit. The sign is not marked clearly, turn left on Butternut (Wayne's IGA supermarket is located at the corner on your left). Continue straight on Butternut until you come to a stop sign. At that sign, you will be able to see the school - turn right and the parking lot will be located on the right about a ½ block down on 8th Street.

Coming from the South:

Do the exact same directions as above except take a right on Butternut Avenue.

Coming from the East:

Travel Highway 48 going through Cumberland. You will come to Lake Street on the edge of town. There is a Luck Public School sign to follow. Go until you come to a stop sign, veer to the right and continue to travel along the lake and at the next stop sign (7th Street) you will be right next to the school. Take a left and the parking lot will be about ½ block on 7th Street.
