

THE GREAT NORTHWEST BASKETBALL LEAGUE
2007-2008 POWER RATINGS

Note: For 6th through 9th grade teams, ratings reflect performance in The Great Northwest Basketball League during the 2006-2007 season. The one exception is a small number of teams that played in the League during a previous season, but not in 2006-2007. In these cases, the rating listed is from the last season played. When a rating for a 6th through 9th grade team is from a year previous to the 2006-2007 season, it is noted with parentheses (). All ratings of 10th, 11th and 12th grade teams are from the last year the team in question played in the League -- typically 8th grade. While we recognize that this information is dated, it provides some indication of the relative talent of a community's overall program, through high school, for purposes of projecting which programs are likely to be stronger in the years ahead.
