** At numerous meets on January 22, one or more teams failed to attend due to concerns on their part about weather. In most cases, the host community reformatted the meet per Section C-18 (and Attachment 5) of the League rules so that all remaining teams still played four games. In the case of this meet, the host community failed to follow League rules. While League management apologizes for this result, we cannot have a League representative at each meet and we therefore rely on the host community to follow all League rules.
