

THE GREAT NORTHWEST BASKETBALL LEAGUE
2000-2001 POWER RATINGS

Note: All ratings of 10th and 11th grade teams are from the last year the team in question played in The Great Northwest Basketball League -- typically 8th grade. While we recognize that this information is dated, it provides some indication of the relative talent of a community's overall program, through high school, for purposes of projecting which programs are likely to be stronger in the years ahead.

For 6th through 9th grade teams, ratings reflect performance in the League during the 1999-2000 season. The one exception is a small number of teams that played in the League during a previous season, but not in 1999-2000. In these cases, the rating listed is from the last season played. When a rating for a 6th through 9th grade team is from a year previous to the 1999-2000 season, it is noted with parentheses ().
