

Cadillac Area Hockey Association Scholarship Program

Through donations of some generous citizens, scholarships may be available for members of CAHA. These scholarship awards are intended for members facing a financial hardship, or a compelling current event that resulted in the need for scholarship consideration. All awards will be applied directly to the member's CAHA dues and are not redeemable for cash. All award decisions are at the discretion of the Scholarship Committee. Awards are given only when funds are available.

Process

The player must first be registered with USA Hockey and CAHA. A \$100 registration fee is due at the time of registration. The scholarship application form must be completed and include all of the information requested. The application should be submitted at the time of registration. Applications will be reviewed by the Scholarship Committee and you will be notified as soon as possible upon the final decision of the Committee.

Criteria

1. Approximate household income
2. Number of years with CAHA
3. Number of players from family registered with CAHA
4. Volunteer and Fundraising Activity
5. Description of your current situation for the need of the scholarship.

Volunteer Activity

CAHA is run by volunteers. As such, you as a scholarship applicant or recipient are expected to perform volunteer service to your association. We also have a fundraising program that you are expected to take part in to decrease your expenses throughout the season.

Confidentiality

All application information will be held in strict confidence by the Scholarship Committee.
