## BHA FALL NEWSLETTER

### **Benson Hockey Association members;**

We have turned the corner to ice time again. Preparations are underway for yet another fun filled season. Chillers are running steady and the ice making process is complete so it is time to skate.. We would like to update you on some upcoming events and news.

Practices are scheduled to start the 1<sup>st</sup> week of November as the MBA scheduler is hard at work already scheduling games and practices.

The team coaches will soon be in contact with you regarding a team mtg and the upcoming season

An important reminder is the requirement of your work hrs that need to be completed each year for your family and those families that do not fulfill the requirement will again be restricted from ice time until requirements are met. The board would also encourage skaters to participate in the Rink Rat program again this year with prizes to be awarded for those who earn more than 30 hrs. Work hr and Rink Rat hr sheets will be posted on the wall at concessions to write down your times. If you work hrs at the Morris rink be sure to mark those hrs down on the sheet. Updated hrs for both will be posted monthly for your reference.

Please assist in the selling of the gun raffle tickets as the profits help our program.

**\*STAY ALERT TO THE MBA STORM WEB SITE FOR THE RINK SCHEDULES: OPEN SKATE AND OPEN HOCKEY ON WEDNESDAYS/SUNDAYS WILL START ON 10/16/13**

**SCHEDULED WORK NIGHTS:** 6pm- ??? There will be staff there to provide direction and a list of work needed.
