PRO HOCKEY LIFE ASK THE SPECIALIST

Q. How often should my skates be sharpened?

A. There is no magic number, and you should be inspecting your blades after each use looking for imperfections in the steel. A nick or flat spot on the edge is the best indicator that it's time

for a sharpening. Have a look at your edges for imperfections. Use a thin cloth to protect your thumb. Next, carefully and slowly run your thumb down the blade to feel for any imperfections your eyes may have missed. Lastly, when on the ice, if you feel that your edges are not holding, it's time for a new set of edges.

WELCOME

ROB RING | President, Ontario Minor Hockey Association

Welcome to the OMHA ETA AAA Showcase powered by Under Armour and hosted by the Barrie Colts. This event features regular season league games in a central location, whereby all OMHA ETA Minor Midget players are "SHOWCASED" under one roof. The opportunity is there for the OHL and OUA scouts to assess the players' talents with a look to the future.

Our staff has worked hard to put together this event. We appreciate the support and encouragement of our event partners the OHL, OUA, Barrie Colts, and the City of Barrie.

We also value the support of the event sponsors, Under Armour, Gatorade, Pro Hockey Life, and Gamers Source for Sports.

The OMHA has a long and enviable history for producing talented players that eventually go on to Major Junior Leagues, University hockey teams and on to professional hockey. No doubt some of the players being showcased here this weekend will see their dreams eventually realized. All my thanks for being part of this weekend, enjoy yourselves and good luck.

BILL SCHLITT | Chair, Eastern AAA

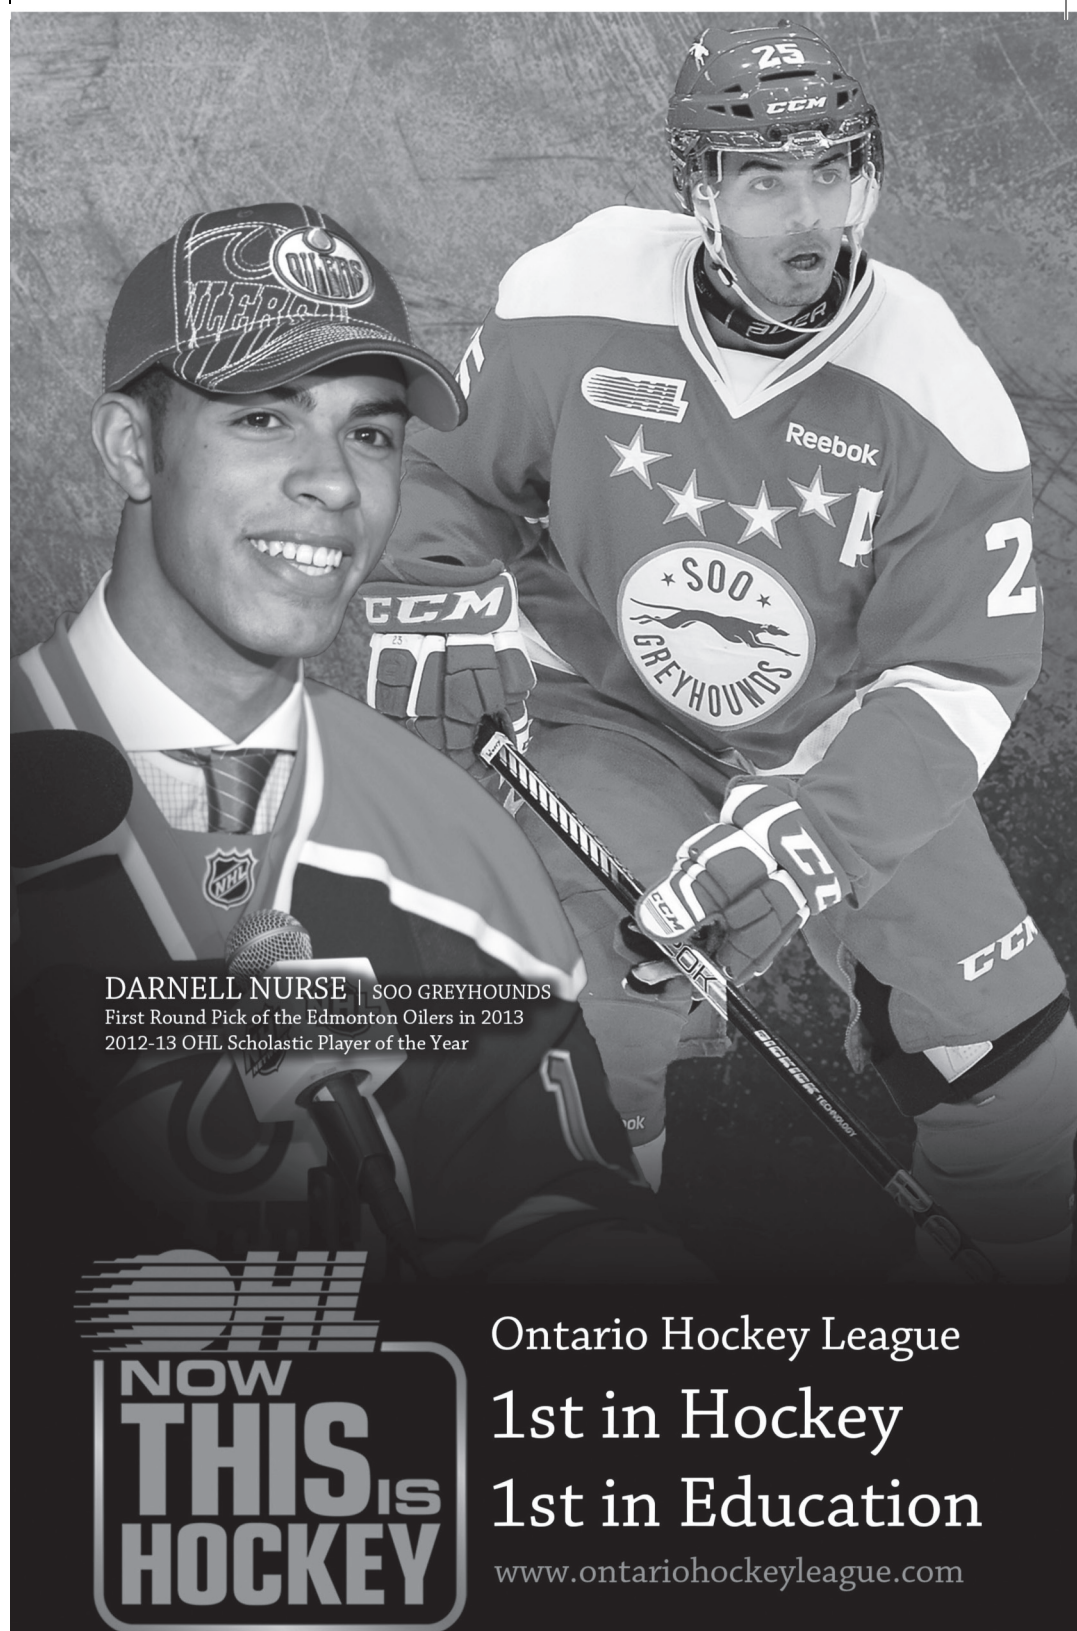

I wish to extend a warm welcome to everyone attending and participating in the ETA's 21st Midget All Star game and our 5th annual Minor Midget 'AAA' Showcase.

The Midget All Star game and the Minor Midget Showcase of regular season league games has been instituted by the ETA to provide a forum to allow our players to demonstrate their remarkable talents and abilities in one place over the course of a weekend.

If you do not have the opportunity to observe these teams on a regular basis I am certain that this weekend you will be impressed by the level of hockey demonstrated by some of the top Minor Midget and Midget hockey players in Ontario.

I truly hope that this event along with the 2013/2014 season is positive and successful for all of the players that the ETA has the pleasure of representing. It is our goal to provide these young men with the opportunity to participate in our national game at a high level and allow them to set a solid foundation for their future, be it in hockey or any other chosen career.

I wish to acknowledge and thank the ETA's Hugh Campbell, Greg Minicola, Adrian Vanhemmen, Kim Ross, Ed Santi and Roger Crandall and the other committee members for all of their efforts to make this event a success. I also wish to thank all of our sponsors, especially the OHL's Barrie Colts and Under Armour for their generous support as well as the OMHA for their continued assistance and promotion of this event.

WELCOME

DAVID E. BRANCH | Commissioner, Ontario Hockey League

On behalf of the Ontario Hockey League and our member clubs we are very excited to partner with the OMHA Showcase Events this season as an opportunity to introduce you to many of the great opportunities that our league has to offer.

The OHL offers student-athletes the best of both worlds when it comes to on ice development and opportunities in education. The OHL is proud to be the number one supplier of talent to the National Hockey League and to Canadian Interuniversity Sport. 37 OHL players were selected in the 2013 NHL Entry Draft and 11 of these players were chosen in the first round.

In addition, for the 12-13 season over \$1.75 Million in scholarships were awarded to 248 OHL Graduates who attended over 30 different academic institutions across North America. There are 209 of these graduates were also playing CIS while on their OHL Scholarship.

Each year, many talented OMHA players are among the 300 players chosen by OHL teams at our annual Priority Selection. For the third straight year the OMHA led all organizations with 96 players selected. Eight of these players were selected in the first round.

We hope that you take advantage of all the great resources that the OMHA Showcase Events have to offer and look forward to meeting you this weekend.

Best of luck in the rink and in the classroom this season!

HOWIE CAMPBELL | President/Owner, Barrie Colts (OHL)

On behalf of the Barrie Colts Junior Hockey Club, I welcome you to the City of Barrie for the ETA Showcase.

We are excited to be a partner with the OMHA in this Showcase, and see it as a tremendous opportunity for OHL draft prospects to display their talent to the many scouts in attendance. From year to year, roughly 30 percent of our league is comprised of OMHA graduates, and they continue to develop talent on a consistent basis to help build OHL rosters.

I would like to commend the Showcase committee and volunteers from Barrie AAA Zone Hockey for their efforts in organizing this Showcase and coordinating all of the behind-the-scenes logistical matters. This event would not be possible without your hard work and dedication.

Moving forward, the Barrie Colts will continue to support this Showcase and hope everyone enjoys their time in the city.

Good luck to all the ETA players and coaches throughout the weekend and the rest of your seasons.

WELCOME

BRYAN CRAWFORD | Executive Director, Ontario University Athletics

Ontario University Athletics would like to welcome all players to the OMHA AAA Showcase event.

This is an opportunity for these exceptional athletes to showcase their talents while learning about the opportunities that exist for them beyond their junior playing careers.

Ontario University Athletics would like to wish all players the utmost success as they pursue their academic and athletic goals.

JEFF LEHMAN | Mayor, City of Barrie

On behalf of City Council and the citizens of the City of Barrie, I am pleased to extend a very warm welcome to all those participating in the Ontario Minor Hockey Association's AAA Showcase.

This is the third year for this event, which brings some of the very best minor midget hockey prospects and their families to our City. For those of you visiting from out of town, I hope you will enjoy all that Barrie has to offer. The City of Barrie is Central Ontario's leading city and most dynamic waterfront community, located in the midst of Ontario's recreational heartland. I invite you to explore the city's diverse downtown and variety of shops and restaurants, which we hope you will enjoy during your stay in Barrie. I would encourage you to visit our website at www.barrie.ca to learn more about our community.

I would like to take this opportunity to congratulate all of those who have committed their time and energy to the organization of this event. I would also like to offer a special thank you to all of the dedicated individuals involved in this program, who willingly give their time to improve the lives of the youth through organized sport.

Welcome to the City of Barrie, and best of luck to all of the teams!
