- Bantam Team Decision – After tryouts and the formation of the three Bantam teams three kids quit on the B2 team. We are at 8 potential skaters and options were discussed. Do we combine into two large teams or maintain three small teams. Agreement was that we look at options to maintain the three teams with 9 skaters the minimum to move forward. Options will be researched and HDC will meet the week of high school tryouts to see where kids fall and vote on decision.
- Pee wee group – Discussion around low numbers and ideas to continue to progress skills both for that team and future kids that move through the program.
- Skills night classroom sessions – Have a great group of speakers lined up including Tom Serratore (Hockey Habits), Jacks HS Coaches (Jacks Habits), Troy Hendricks (Leadership), Jill Breyen (Nutrition).
- Puck Shooting night – Finalizing plans for kids to attend the Moorhead Spuds game. Kids will have pizza party where high school coaches acknowledge, get announced in pre-game on ice and go in locker room between periods. Total of 26 kids hit the puck shoot goal.
- Moving three 8U palyers to 10U – Vote was approved to move three girls up to maintain a 10 U team.
- 1st Year Free – Vote was taken and approved to only allow first year free hockey through squirts and 10U. Will communicate to Tracy for next year registration.
- Finalized a couple parent coach options to fill the void and help Bill Anderson with the Squirt B White team.
- Next Meeting – December 9th, 2013 7:00am Kuesel Law Office
